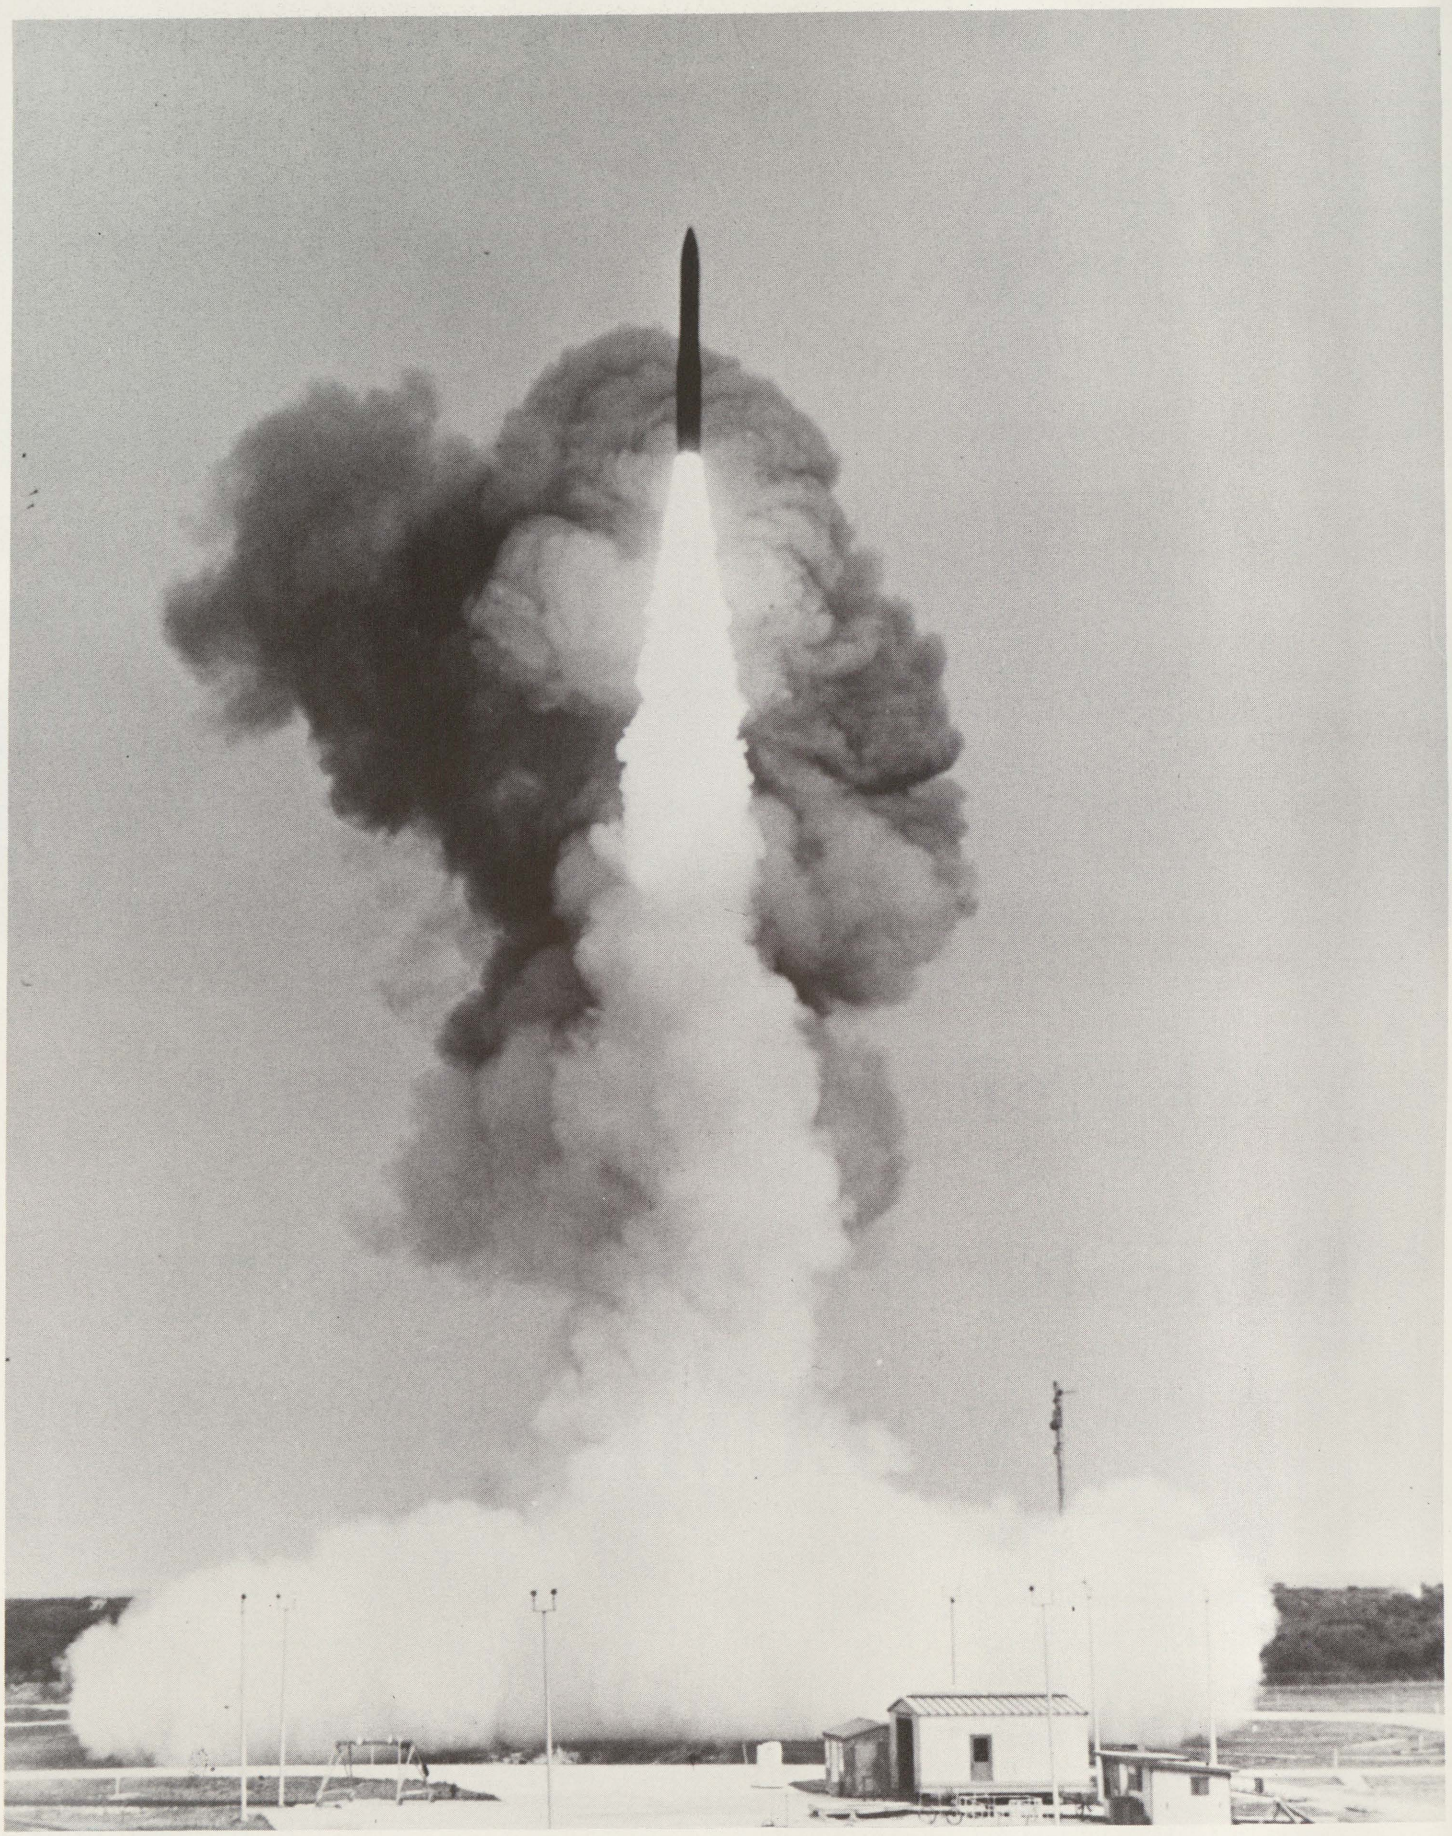
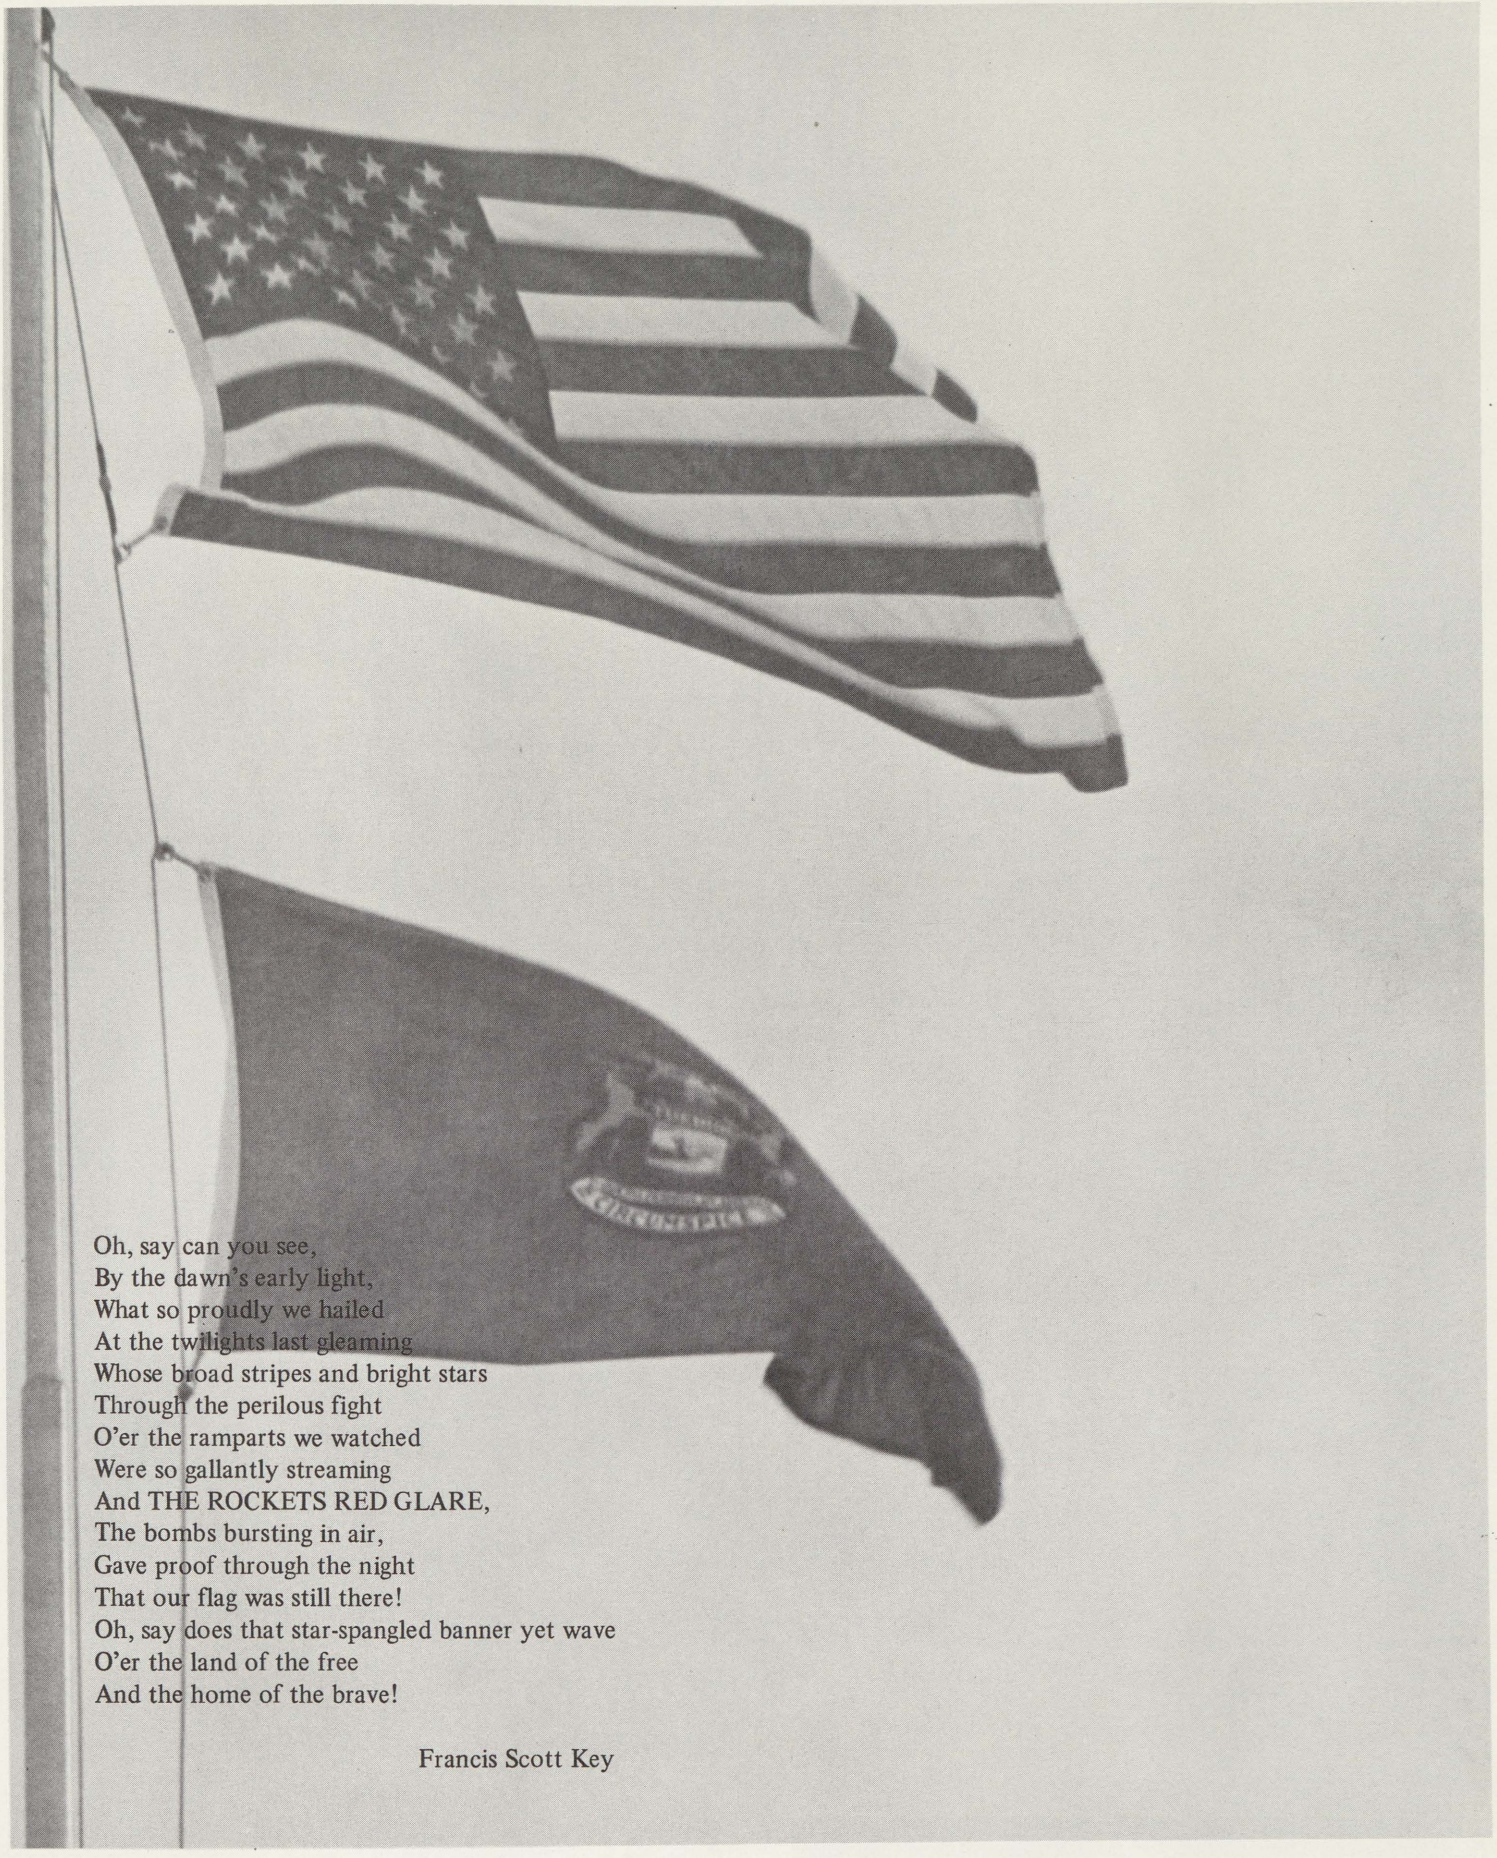
Saginaw, MI 48607





Oh, say can you see,
By the dawn's early light,
What so proudly we hailed
At the twilights last gleaming
Whose broad stripes and bright stars
Through the perilous fight
O'er the ramparts we watched
Were so gallantly streaming
And THE ROCKETS RED GLARE,
The bombs bursting in air,
Gave proof through the night
That our flag was still there!
Oh, say does that star-spangled banner yet wave
O'er the land of the free
And the home of the brave!

Francis Scott Key

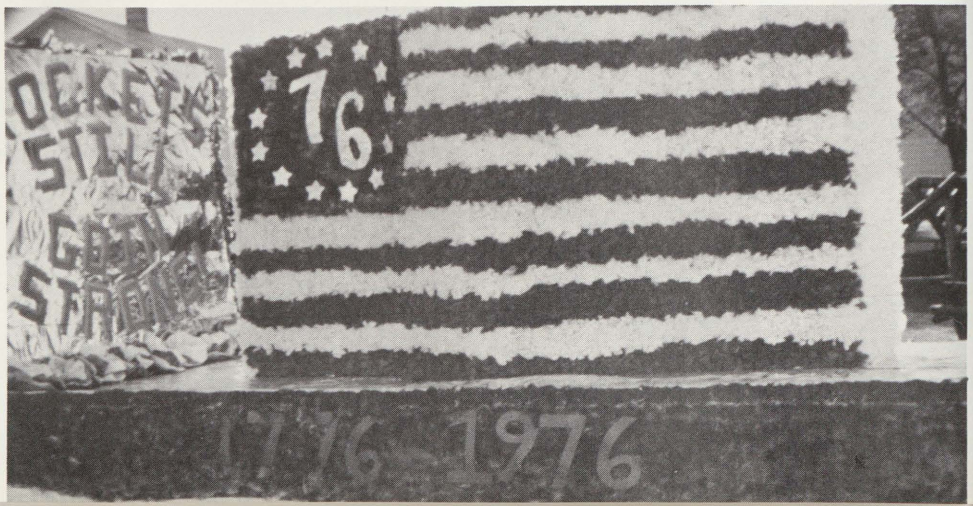
Homecoming '75— An Eventful Night

It was half time and the band had taken the field. The floats paraded in front of the stands for all to view. Mrs. Shepard, the evening's announcer, proclaimed that the winners of the spirit week award were the Seniors. The Seniors cheered while others took comfort in the hope of winning in another year. As the floats left, the Homecoming court appeared on the field. Again Mrs. Shepard's voice rang through the silence "the 1975 Homecoming queen is Kerri Sahr!" That night will long be remembered by all at Reese, expecially 1976 Seniors.

The Sophomore float with the theme: "The Rockets Are Coming."

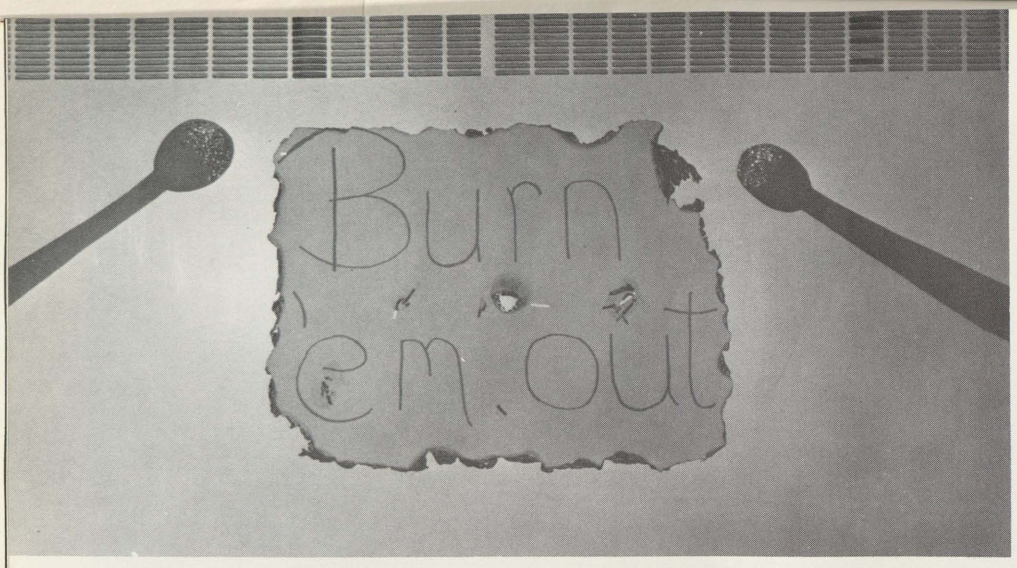
The Junior float took first place in the float competition.

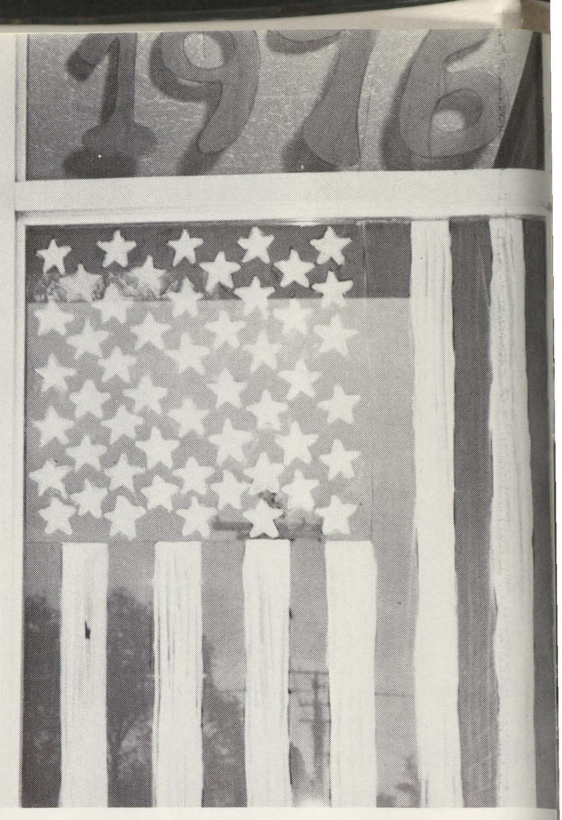
ABOVE: The Freshmen had the theme: "Washington crossed the Deleware to see the Rockets dunk the Eagles." RIGHT: The Senior float also had the current flag on the opposite side.

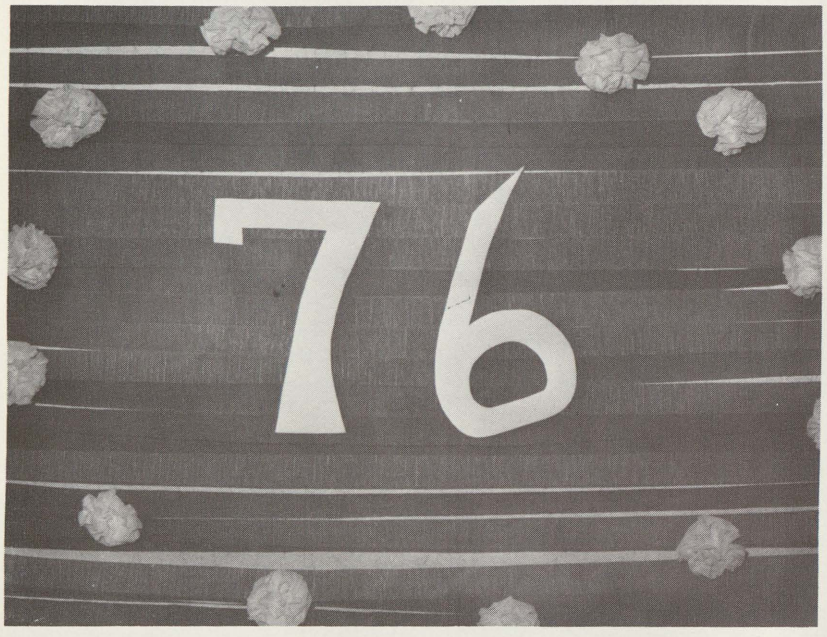


The 1976 Homecoming court and their escorts were from left to right: Jan Trombley escorted by Ron Billmeier, Penny Brechtelsbauer escorted by Ken Supanich, Queen Kerri Sahr escorted by Elroy Roedel, Kim Bernthal escorted by Mike LeRoux, and Diane Krick escorted by Don Kuck.

ABOVE: The homecoming spirit even captured the teachers. LEFT: Michele Truedau is helping Queen Kerri with her robe.







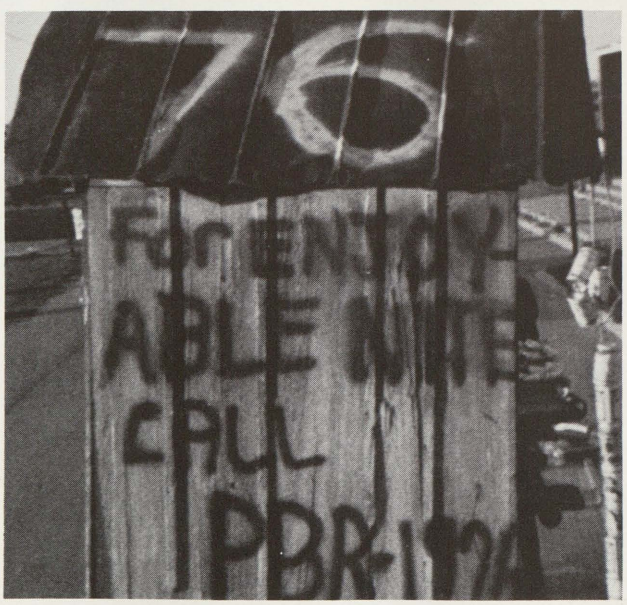
The homecoming spirit was felt all over during homecoming week. Ever the halls were decorated. Here are a few examples of the many decorations that lined the hallways.

Seniors Active In Many Areas

The future before them and many good times left behind. Placing first in Homecoming spirit week and bringing home nine trophies from fall sports alone they proved that they weren't just another class graduating from R.H.S. They strived to accomplish recognition in all they did. All in all the Class of 1976 will be missed, but will also be remembered for all the memories they left behind.

Oh no! Here are the rowdy Seniors!

A favorite pastime??



The 1975-76 Senior class officers were: Janet Knack, Treasurer; Penny Brechtelsbauer, Secretary; Kathy Mossner, President; and Diane Krick, Vice-President.

Below: Kathy Mossner helps Sue Sheppard get measured for her cap .... one step closer to graduation.

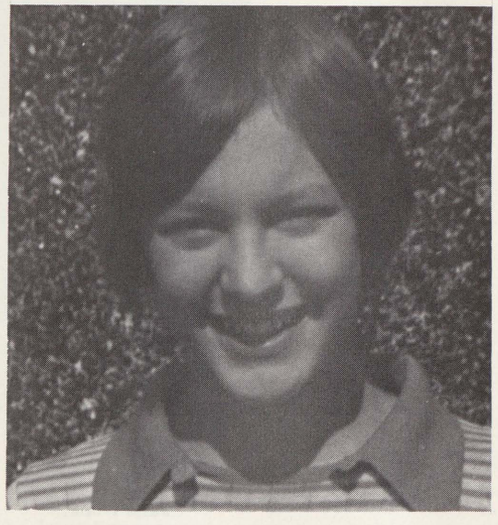
This year, Steve Bow was the first guy to ever win the Betty Crocker Award.

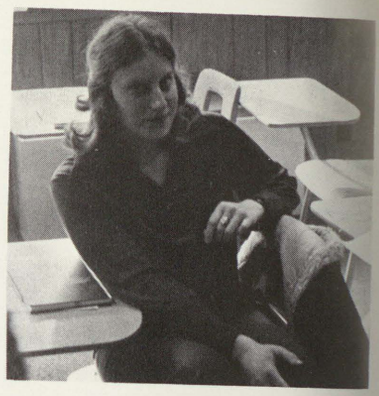


The high school faculty recognized Diane Krick as the 1976 D.A.R. Award Recipient.

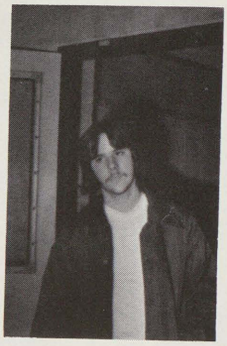
"Those Were the Days My Friend"

I don't get the joke.

Left: Well, I don't have to answer if I don't want to. Right: A closed mouth gathers no foot.

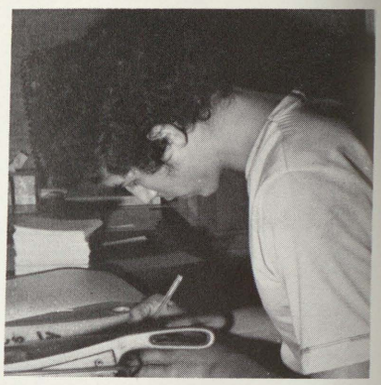


Lori Semkew hard at work.



Aaaaay. . .the Fonz.

Come on over to my place.

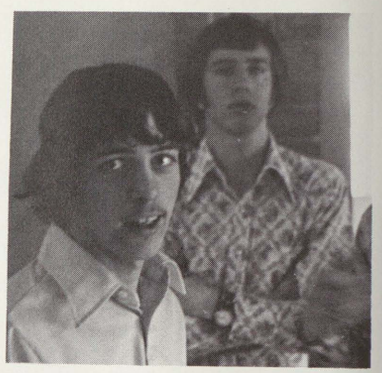


The makings of a salutatorian.

Hey, I know what I'm talking about.

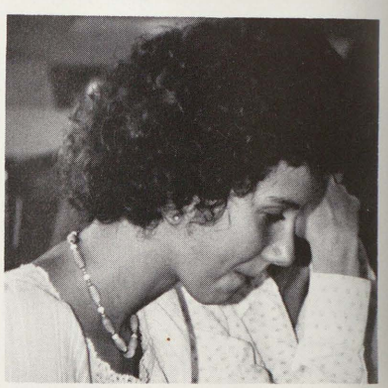
THE BEST OF ALL POSSIBLE WORLDS –
AN INDIVIDUALIZED SMALL COLLEGE AND
THE OPPORTUNITIES OF A MAJOR UNIVE
WRITE
Residential College
The University of Michigan
ann arbor, mich. 48109

Hm, I'll have to think that one over.

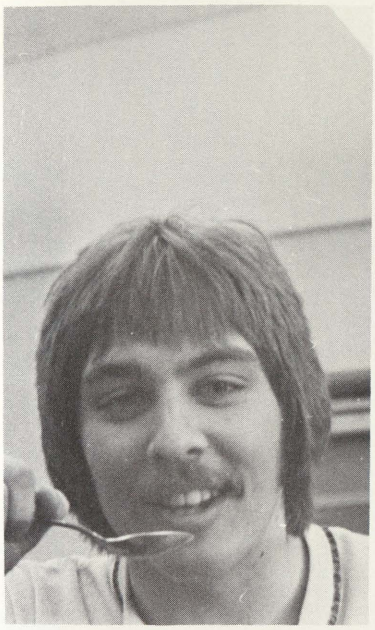


Guilty consciences boys?

The senior boys in action.

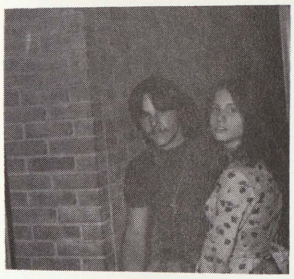


I stuck my finger in an electrical socket this morning.



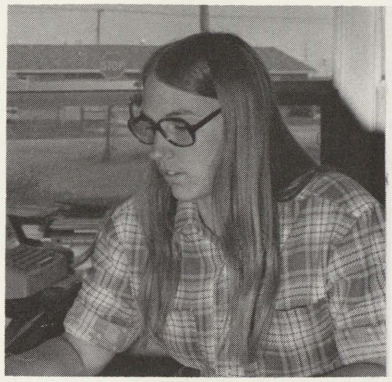
But this porridge is just right.

Lovers?

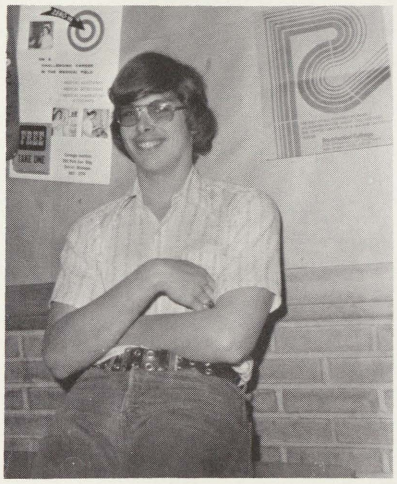


What are you two doing in that dark corner?

Is this the real Bunzie?



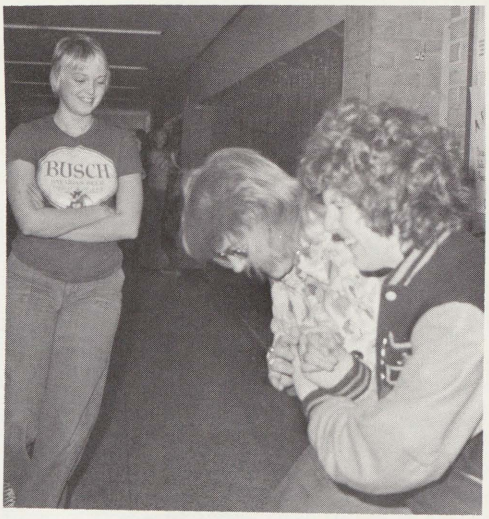
This is one of my better days.



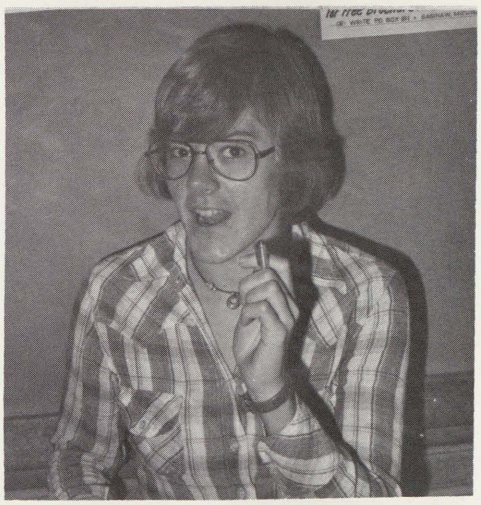
What evil lurks in the hearts of men?

Pals forever.

Teacher, teacher, I know the answer!

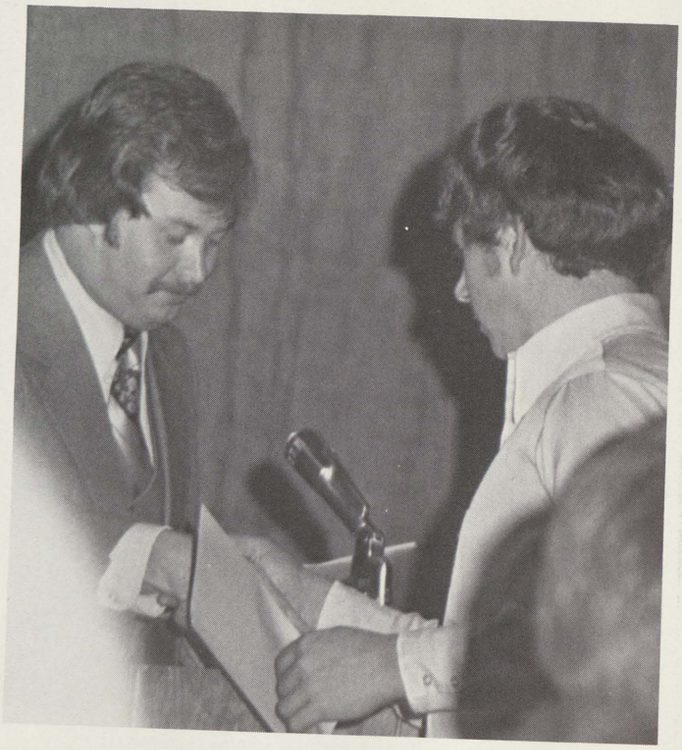


Above: Caught in the act. . .but of what? Below: Jimmy Dohrmann pins a corsage on his mother.



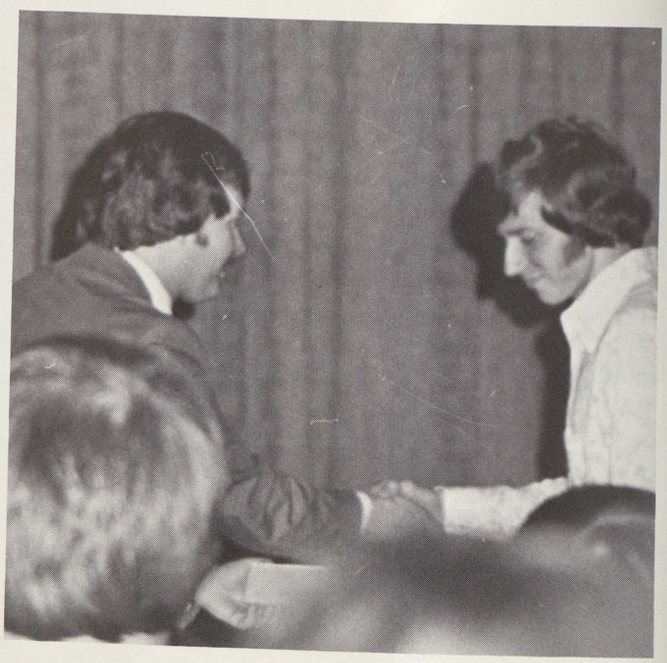
Above: Well, one thing is for sure. . . Below: They got me!

Senior Honor Awards



Paul Miller receives a scholarship from Mr. Jordan.

Kathy Mossner receives a well-earned Journalism award.



Left: Mr. Sage presents Lori Semkew with the Social Studies Studies award. Above: Mr. Jordan hands Don Kuck the National Honor Society award.

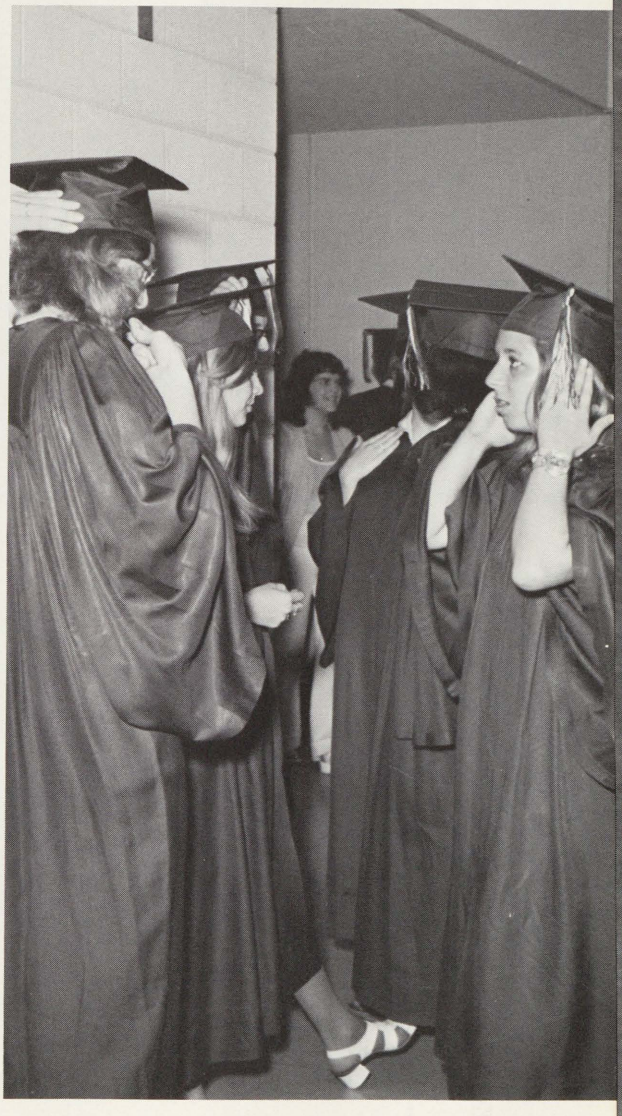
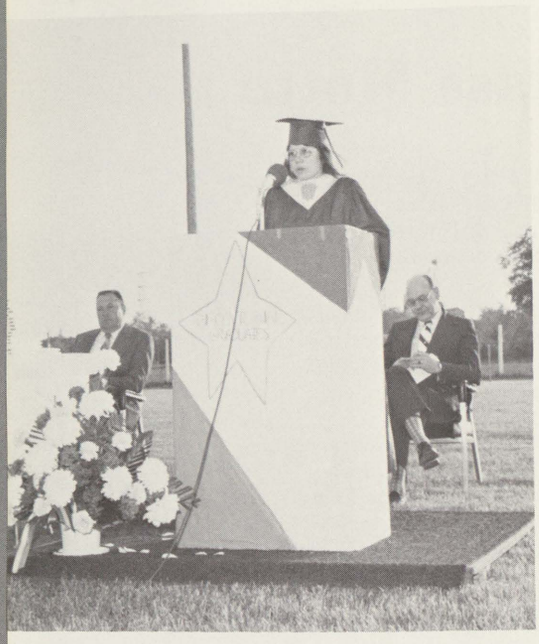
Class Motto

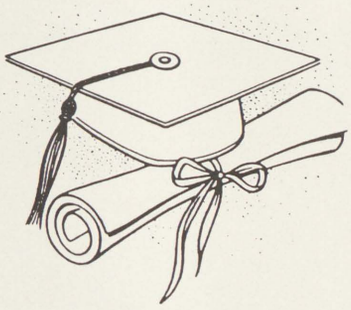
YESTERDAYS are past recall
And things that happened then
Are only shadowed memories
We think of now and again. . .

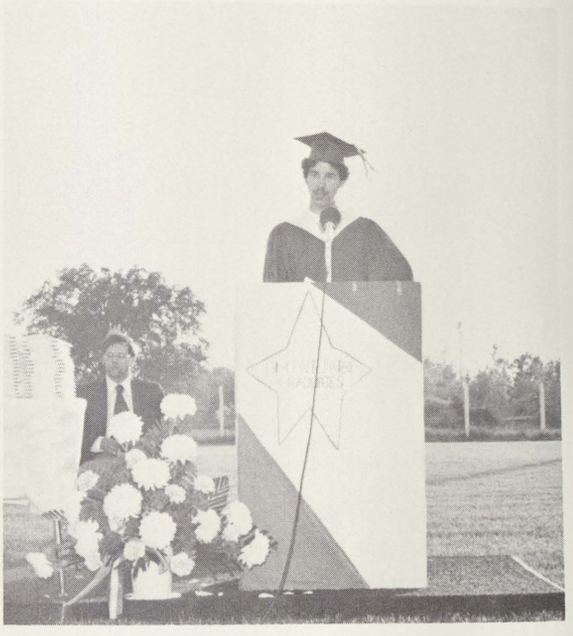
TOMORROWS never come, they say
At best they prove to be
Just promises of plans fufilled
And things we hope to see. . .

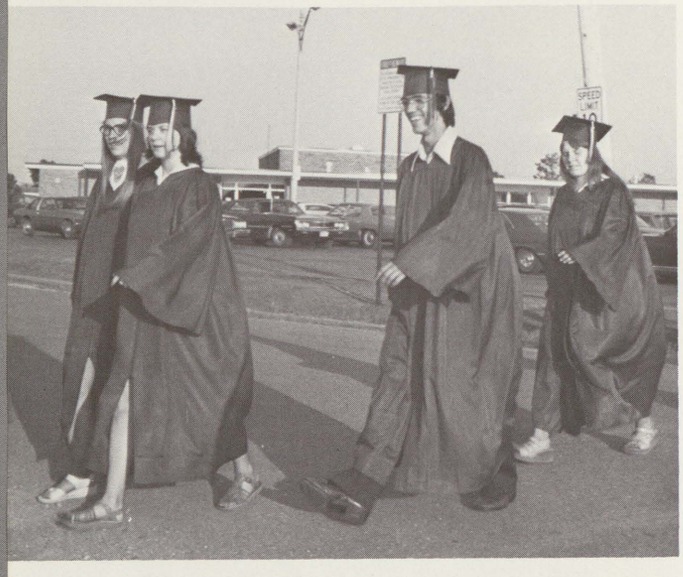
TODAYS are riches close at hand
Fresh pathways to explore
New joys to lift our spirits high–
What heart could ask for more?

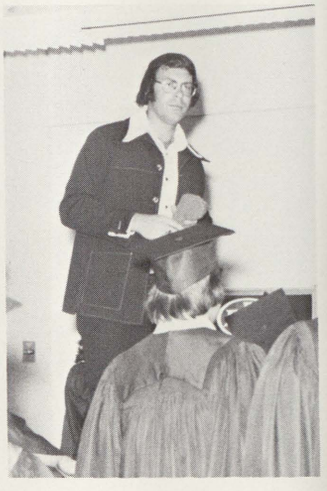


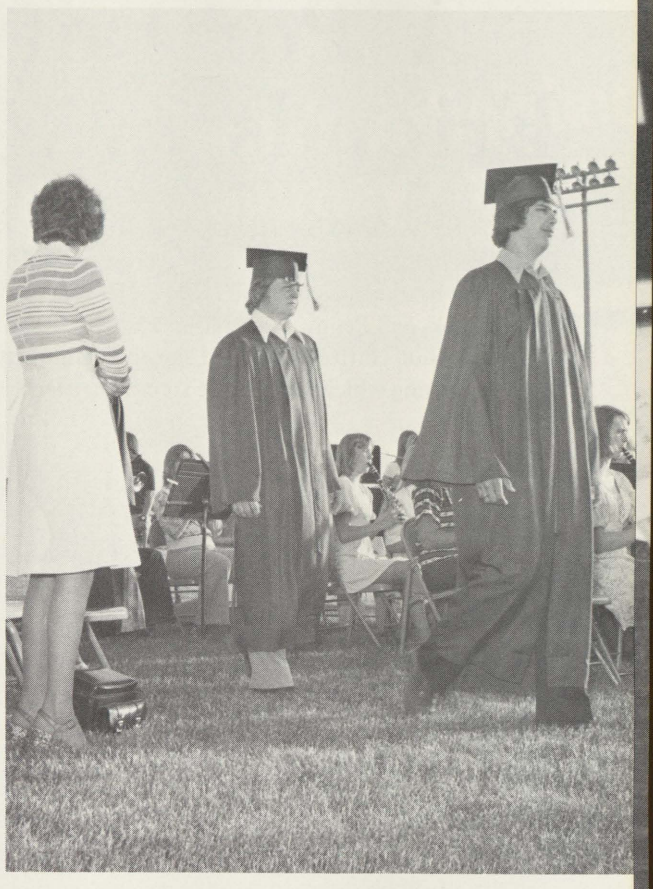


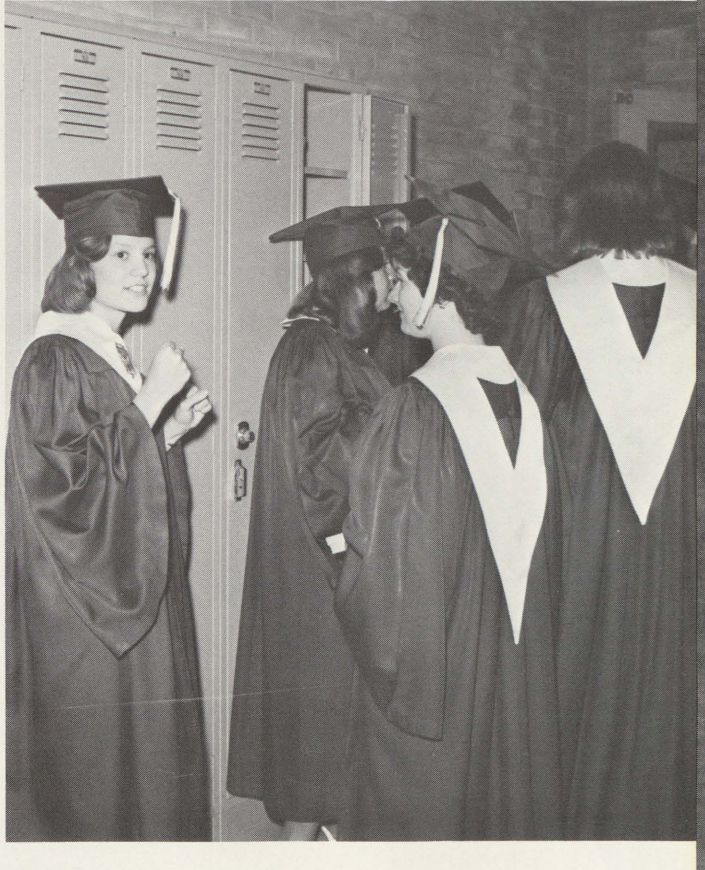


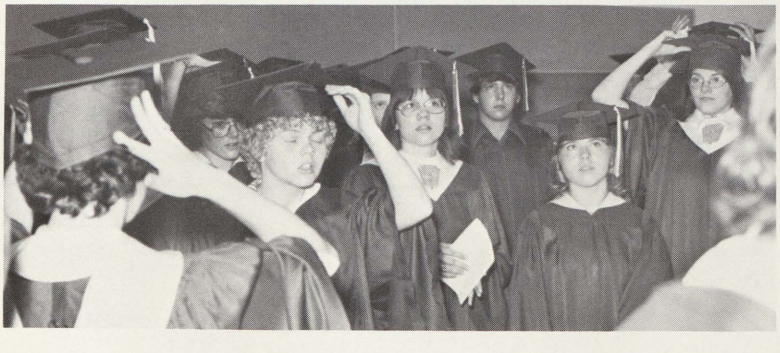








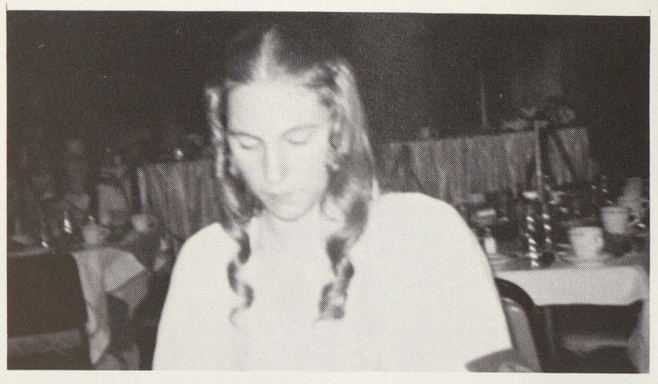




"A Portrait of Friends . . . . ."

This was the theme for the 1976 Junior-Senior Prom. The Prom was held on May 8 at the Candlelite Inn in Bridgeport and sponsored by the class of 1977. Kathy Mossner, Janet Knack, Diane Krick, and Penny Brechtalsbauer read the class will and prophesy. Blue Horizon provided the entertainment for this enjoyable evening which will not be soon forgotten.

Lori Semkew enjoys the prom.



Miki Bow wonders whether the prophesies will come true.

man's unfinished
journey a world history

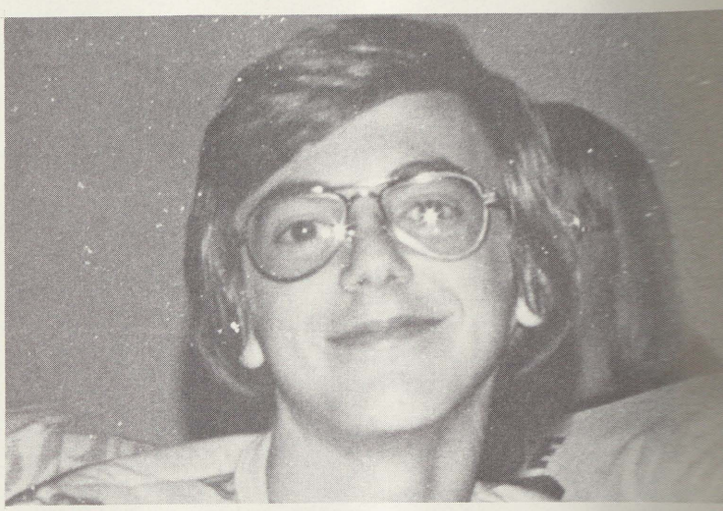
"Thank Heaven for '77. . ."

This year the junior class officers are: Sue Schluckbier–pres.; Connie Bauer–treas.; Mary Trombley–sec.; Sue Ackerman–v. pres.

The prom, A Portrait of Friends,
Really great right to the end.
Everyone had a mighty fine time,
Sue Schluckbier held up through her lines.

They came in first on their float,
That was by a majority vote.
First in freedom, first in space,
Juniors will always be in first place.

David Bolzman, you've got that look in your eyes.



Scott Ross from a midgets point of view.

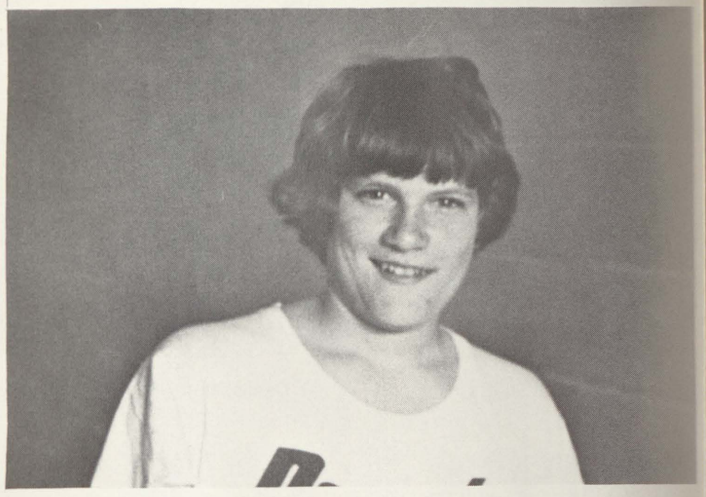
"79 Is Divine . . ."

Freshman class officers this year are: Mike Mueller–Pres.; Julie Bauer–V. Pres.; Janice Boensch–Sec.; Annie Szekly–Treas.

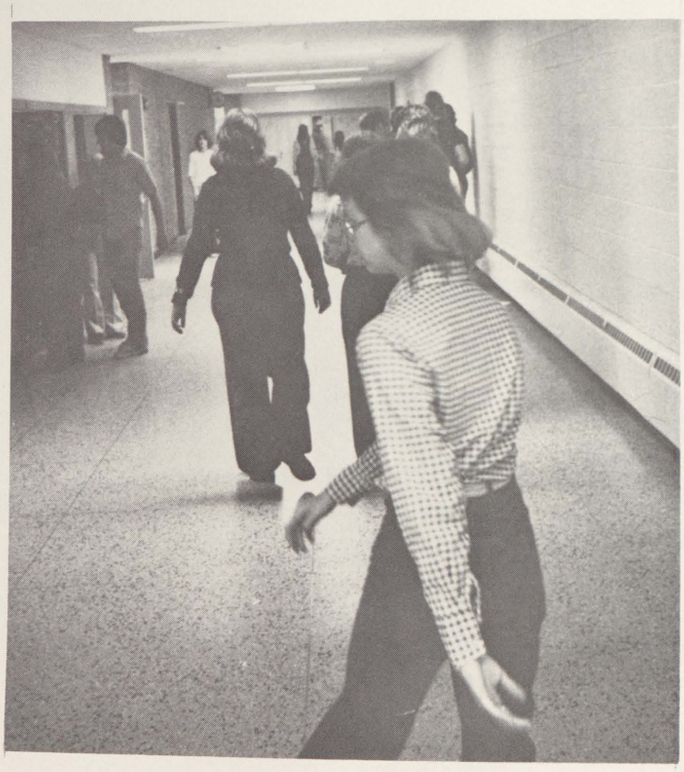
Seventy-nine is divine,
They are really mighty fine.
They were new to this place,
Now they're just another face.

Romeo and Juliet was one stop,
These new students took a hop.
As they go on down the line,
We wish good luck to seventy-nine.

Jon DuRussel looks innocent, but we know differently.



Theresa Ackerman, no dancing down the hall.



Freshman girls, it's not polite to point.

Ken Ackerman

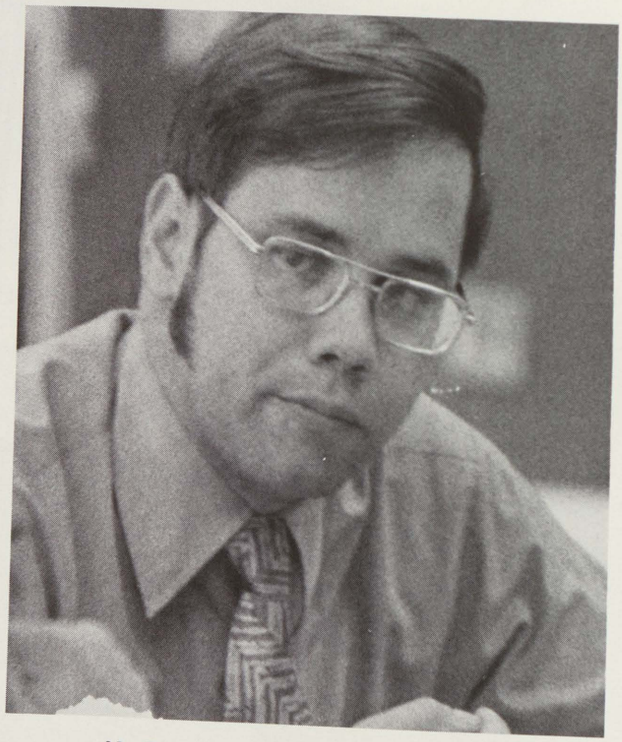
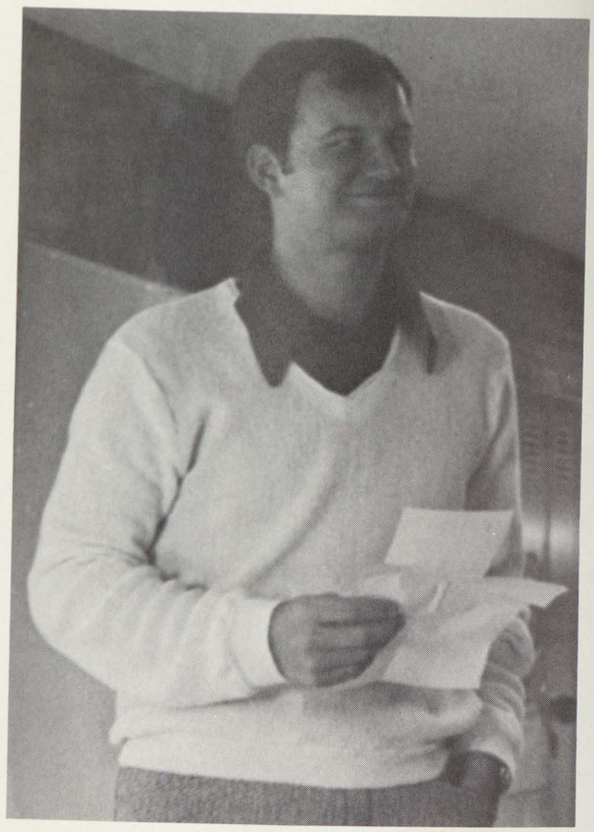
Teacher's Weekly
PLAN BOOK

Superintendent of Schools, Dr. Dunn.



Mr. Crouse contemplates his various duties.



Assistant Principal, Mr. Anderson, shares a happy moment.

Mrs. Stockenauer and Mrs. Bloom examine the new film strips.

Mrs. Radina enjoys her work.

Counselors, Special Ed Meet Student Needs

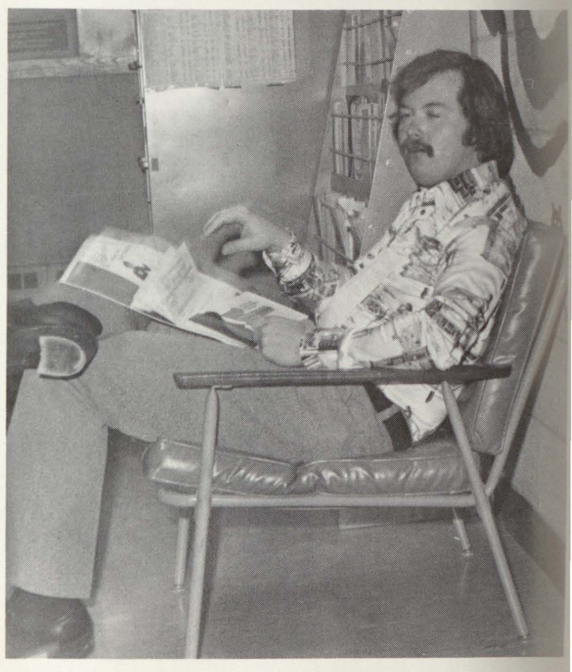
Without the help of four people, many students would fall behind. The counselors are always busy helping students with problems they can't handle themselves such as: choosing classes and colleges.

Mrs. Sink, the counselor's secretary, has a very important job getting all the paper work done. She also helps students in filling out college applications and taking care of NHS candy money.

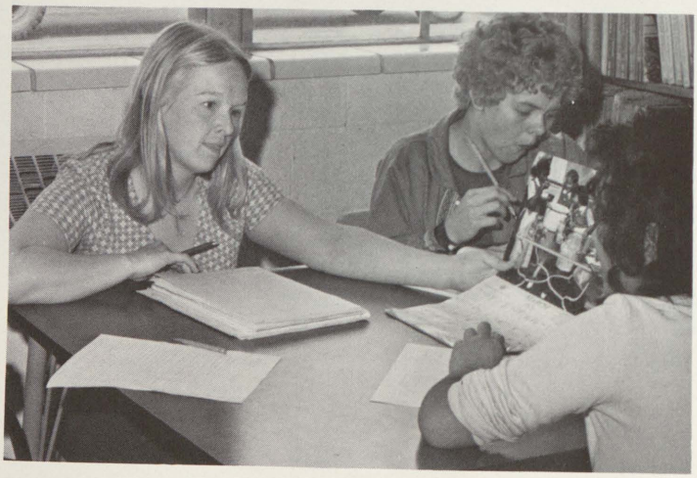
Mrs. Zellar helps students to use their abilities to their fullest. She always works with a smile.

Wearing a corsage given her by the teachers for "Secretary Week", Mrs. Sink listens to a students question.

Mrs. Van Allen works diligently to get a student from Reese into a shared-time program.



Wake up, Mr. Jordan!



Miss Zellar shows some of her students that there are only 50 days of school left.

Business Courses Teach Practical Applications

Through courses in bookkeeping, shorthand, retailing, and typing, students are able to acquire knowledge of skills necessary in places of business. Those students interested in the secretarial field can enroll in Clerical Block. This course offers students the opportunity to run a model office.

General Business and Business Law are also offered for the law-minded student.

Mrs. Kulhanek practices what she preaches.

A student asks Mrs. Mosher whether a credit balance is an asset or a liability.

Mrs. Weier duplicates a test for her retailing students during her conference period.

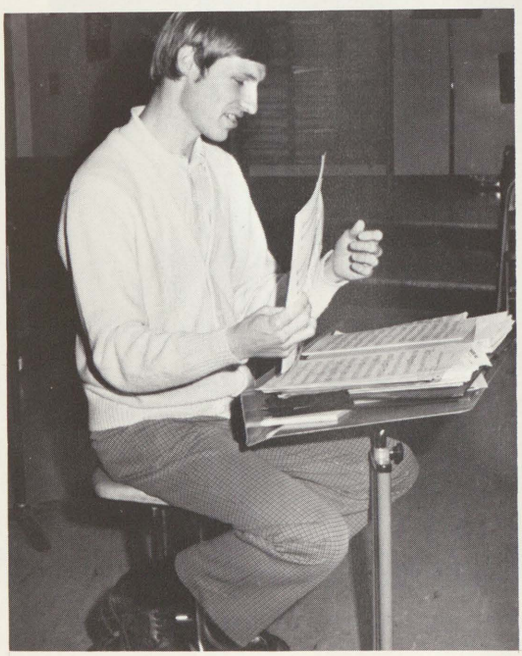
Many Areas Covered By Arts, Phys Ed

Material for research papers, music for pep assemblies, team sports, and displays in the show case are all contributed by the physical education and fine arts departments. Special talents are developed, perfected, and have a chance to shine through. This adds life to the routine book and paper work.

Miss Smith explains perspective to one of her students.

Mr. Bird gives sage advice to the varsity basketball team.

Above: Miss Call looks forlorn after spending a day at school which has made "her hair stand on end." Below: Mrs. Gobble files cards for new orders for the library.



Getting ready for a concert takes Mr. Zirk many hours.

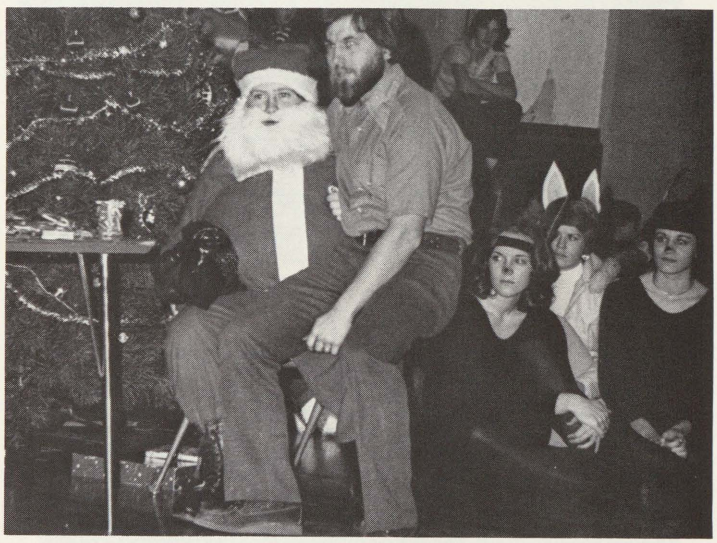
Vocational Arts Give Experience

Agriculture, Homemaking, Auto Mechanics, and Industrial Arts make up the vocational department.

Students learn such techniques as cooking and interior design, the benefits of fertilizer and rotating crops, changing tires and installing a new muffler system, and using power tools and learning about different woods.

With the help of qualified teachers, students receive valuable experience for their future vocation.

Above: Mr. Haines shows the class an example of what he has lectured on. Right: Santa Claus asks Mr. Moore if he has been bad or good.

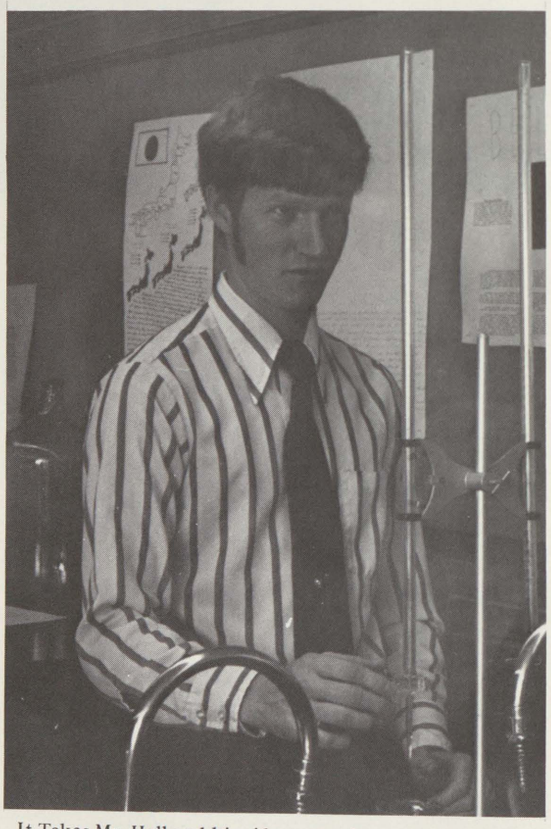


Above: Miss Landskroener smiles happily at the results of one baking experience. Right: Ag students listen carefully as Mr. French discusses crop rotation.

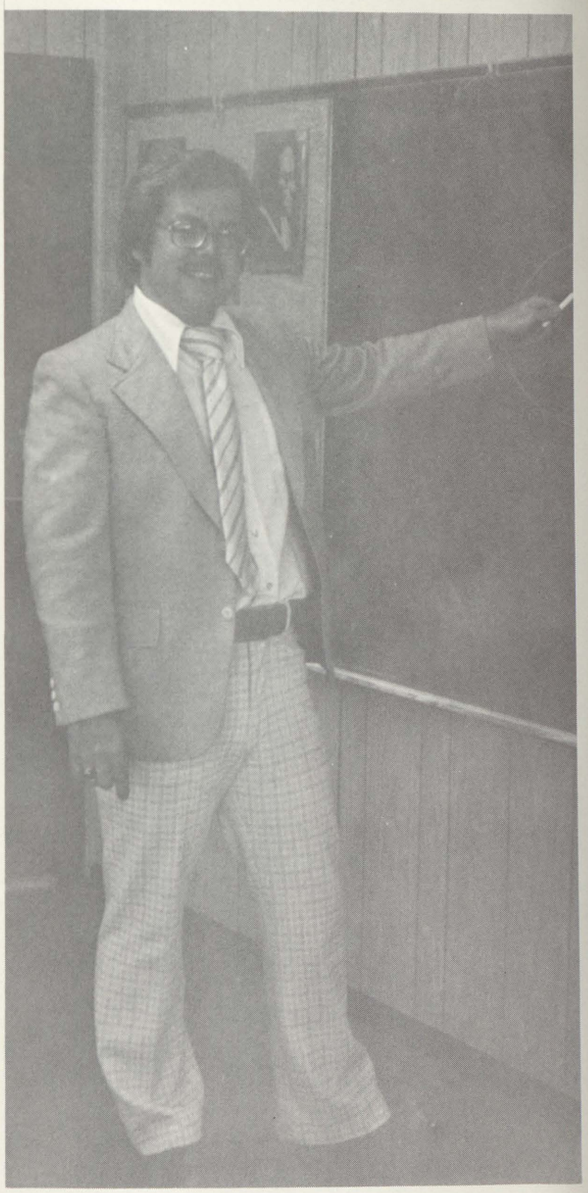
Math Department Challenges Students

The math department is one that is very important to the educational process of learning. Our math teachers are fully capable of the full load they each have. Whether they teach junior high math or the more advanced classes such as Algebra II or Advanced Math, they take personal interest in each student.

Mrs. Shepard watches her students take a test. . .not that she needs to!?!?!?!



It Takes Mr. Hall and his aides many hours to set up a chemistry lab.

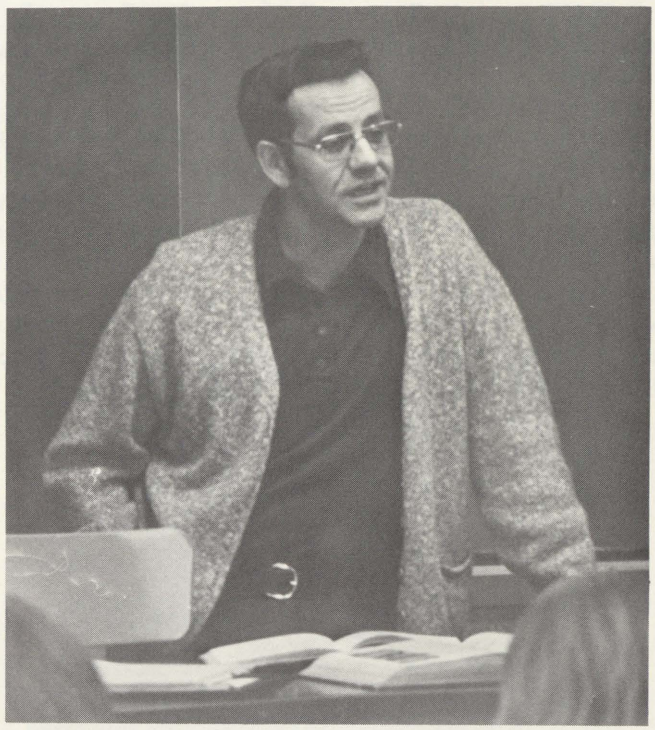


Mr. Weier shows the Advanced Math class some tricky math maneuvers.

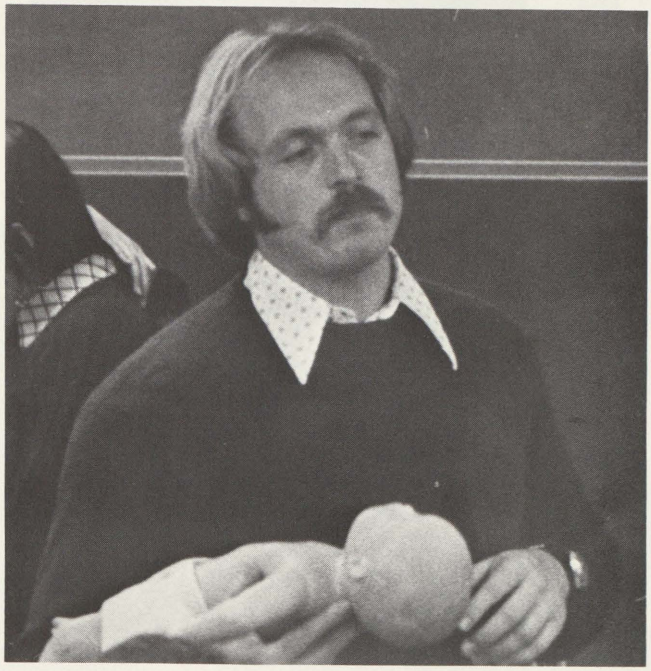
Science Department Shows Versatility

Reese High School had quite alot to offer the students in the field of science this year. They included First Aid/Health which provided the students a chance to become certified in first aid and CPA. In Biology and Advanced Biology, students had the opportunity to dissect animals.

Other classes offered were Environmental and General Science which taught the basics while Chemistry and Physics went into greater detail.



Above left: Ms. McLellan shares an enjoyable moment with one of her students. Above: Mr. Van Paris is TRYING to get a point across.



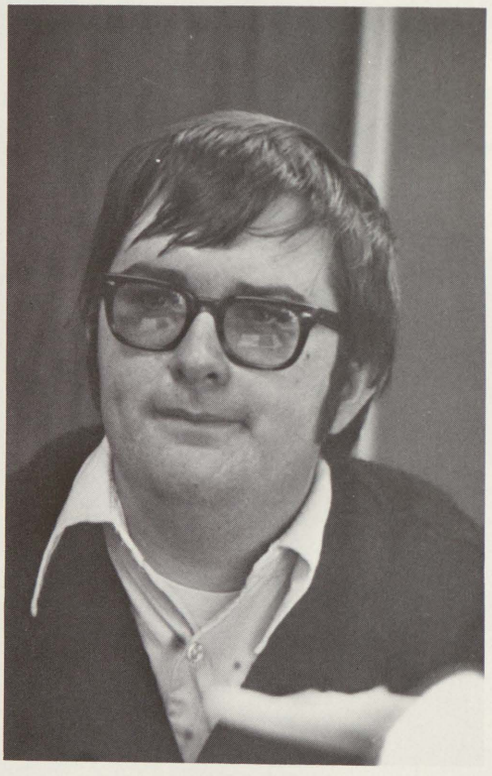
Left: Mrs. Herlache seems to have had a hard day. Above: Mr. Davis thinks, "I'll show it to you one more time!"

Perils of English Worth the Work

Diagraming nouns and verbs, reading short stories, listening to poetry, and writing research papers are a few of the areas that are covered in the English department. Through these classes, students learn to communicate better with the world around them which is vital to living.

Without three years of required English, many students wouldn't know how to fill out an application for a job, and also students wouldn't have a chance to develop their writing talents. Like cod liver oil, English may seem bad, but it works.

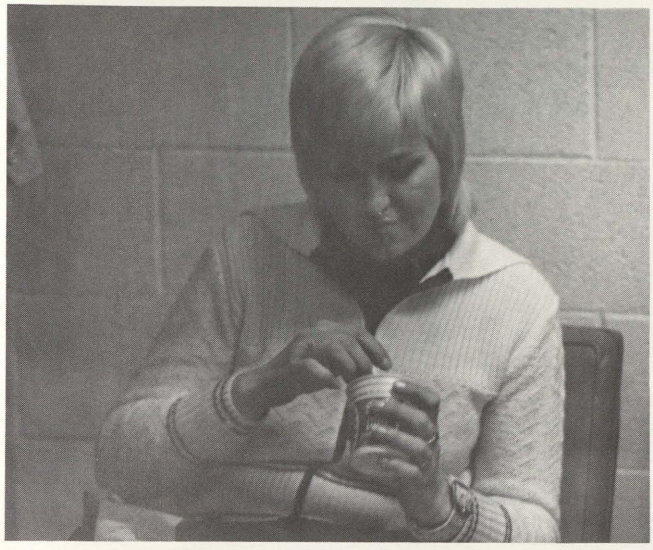
Mr. Terbrack enjoys a cup of coffee during the halftime ceremonies of Homecoming.



Mr. Matuzak takes a minute out of his schedule to think.

Finding a quiet place to prepare for classes, Mrs. Titus is surprized by the photographer.

History Comes Alive Through Activity

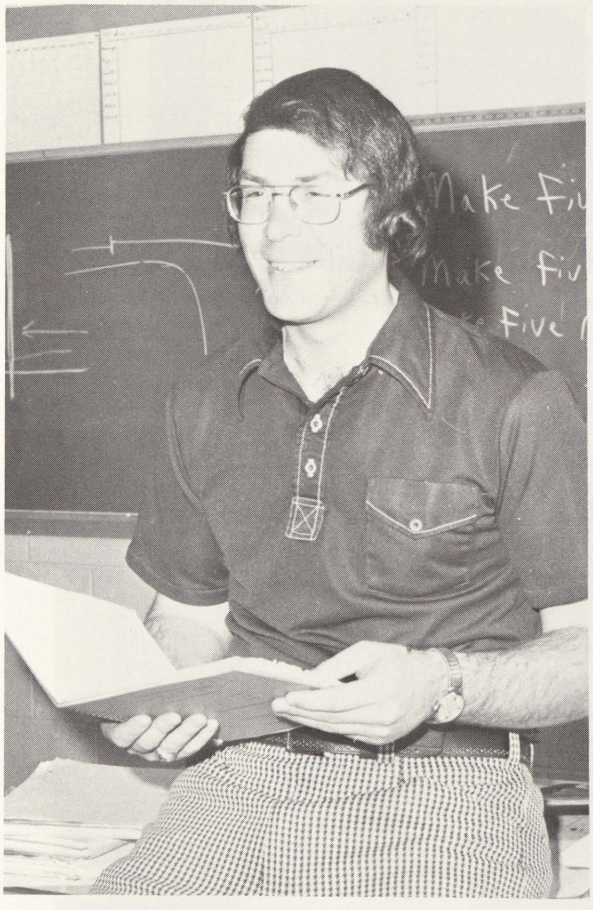


Mrs. Smith eats yogurt to help her keep her "girlish figure."

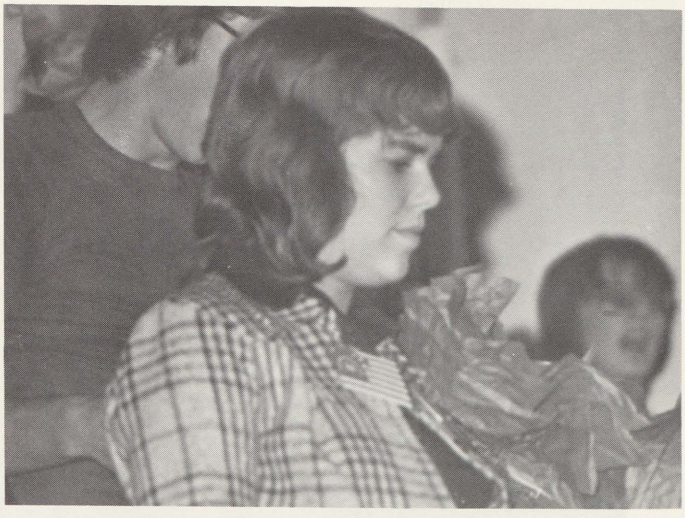
History classes take you from Medevil times, to Columbus discovering America, to the war between the states, to Watergate, to today. Everyday history is made. There is so much to learn, that it would take many, many years to take it all in.

At RHS, World History, U.S. History, and Government are required. Through these classes, students can broaden their background knowledge and develop an appreciation for their country.

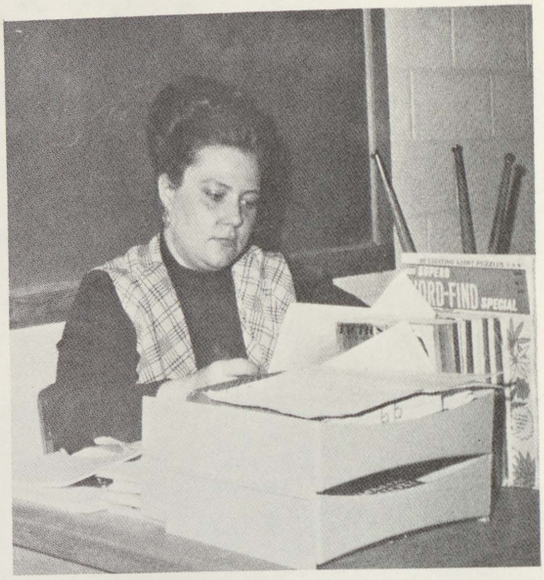
Miss Fletemeier gets her materials together for her next class.



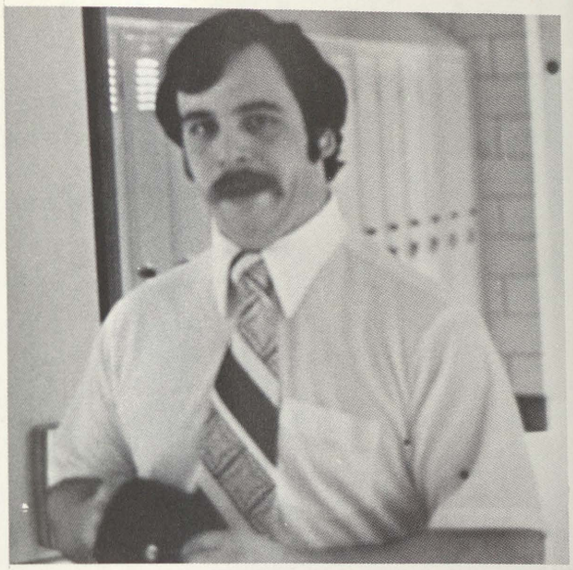
Listening to a students' reaction to a comment, Mr. Sage smiles.



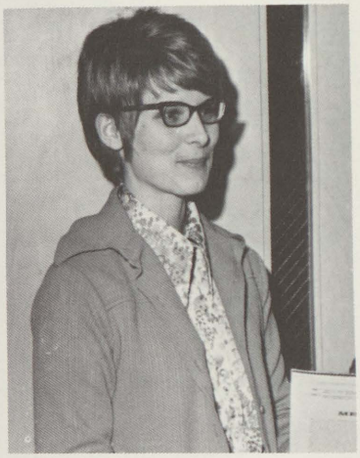
Mrs. Montei sits among the students at one of the many pep assemblies.



Mrs. Marr works hard to get her work done.

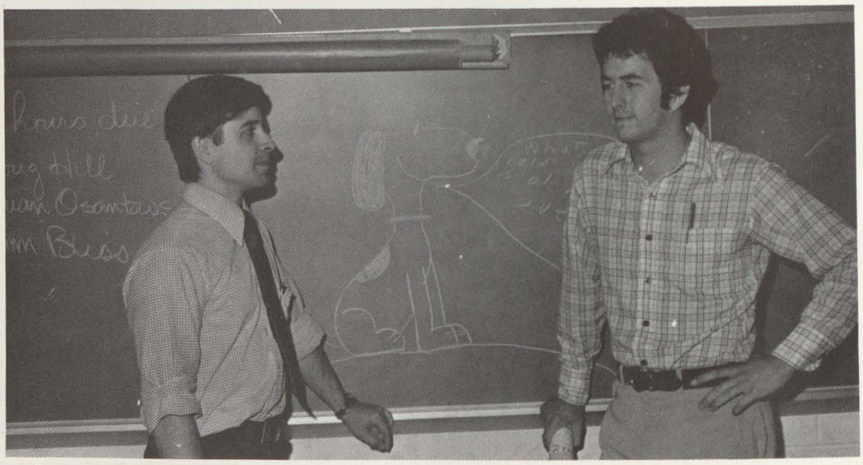


Mr. MacKenzie smiles at the camera.



Mrs. Pitts flashes one of her bright smiles.

Camera shy Mrs. terSteeg?



Mr. Shaltis shows Mr. Carter how to draw a Snoopy dog.

Mr. Marks prepares a lesson.

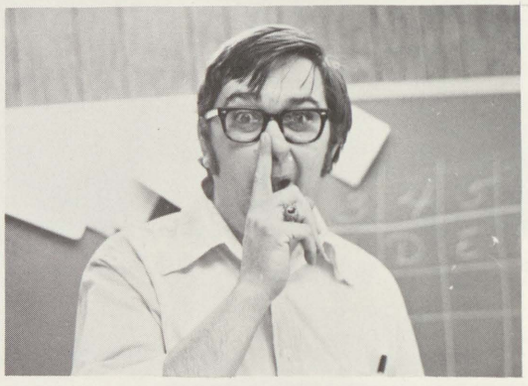
The bus drivers this year were Duane Hogan, Mr. Ellison, Mrs. Trombley, Ann Fleischmann, Mrs. Trombley, Mrs. Francis, Mrs. Draher, Mrs. Burkel, Mrs. Hausbeck, and Mrs. Hicks.

Kurt Liebnecht, Mr. Laking, Shirley Courbier, Mrs. Kaul, and Mr. Zissler help keep the school clean.

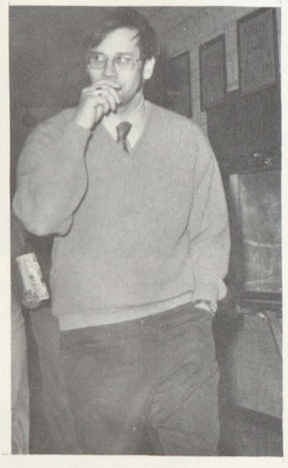
This year's cooks were Mrs. Spiekerman, Mrs. Liebknecht, Mrs. Marx, Mrs. Rupprecht, Mrs. Sylvester.

Teachers in Action . . .

C'mon in, I've been waiting for you.

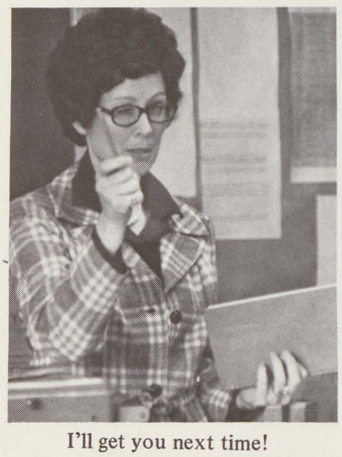


Nose trouble Mr. Matuzak?

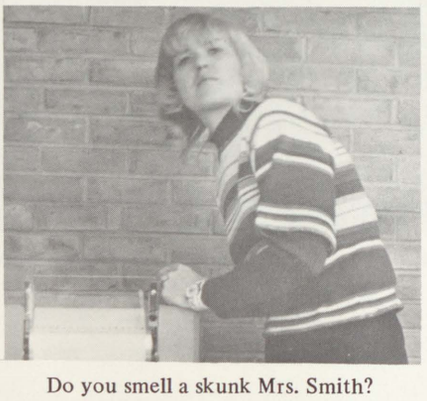


Did you lose your bottle Mr. Crouse?

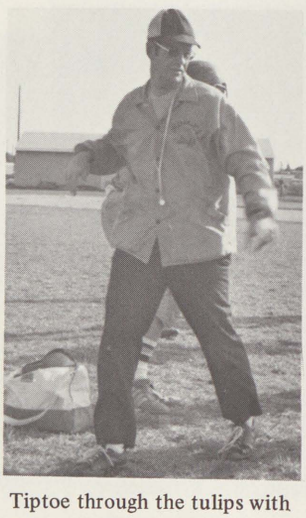
Who says I have a forked tongue?



I'll get you next time!



Do you smell a skunk Mrs. Smith?



Tiptoe through the tulips with me.

Who let these two convicts out of jail?

Caught in the act Mrs. Titus?

REMO

"Chaotic, Hectic" But All Worth It"

The Yearbook staff is totally independent of the school day schedule. Staffers meet on their own time after school on Mondays and Thursdays and often hold work sessions, on Saturdays, Sundays and Holidays.

Putting together a 160-page book in a Class C school is a major undertaking. Student editors decide what each page will contain, what pictures and copy are needed to cover the topic adequately, assign the pictures, size the proof sheets, write the copy, glue down the pictures and get the copy typed.

Only then will the pages be approved and sent to the printers in Kansas.

Yearbook work is hard, fun, frustrating, enjoyable, chaotic and satisfying. Seeing the final product, the end result of all your work, is an undescribable experience.

The Yearbook staff has a hectic lunch.

Sports: T. Fleischmann, C. Bringold, D. Keyes, B. Spiekerman.

Lori Semkew works diligently.

Marie Weiss helps Tom Fleischmann with a sticky problem.

Faculty and Underclassmen: K. Rupprecht, J. Spiekerman, M. Mauntler, S. Bringold

Editor Marie Weiss puts advisor Mr. Matuzak into his place.

Typists and Senior Section: K. Sahr, A. Spiekerman, L. Semkew, G. Roth

Student Life: A. Bennett, B. Bauman, P. Meyer, D. Elbers

Student Council Revives Ski Club

Student Council members listen intently.

The Student Council started out the year immediately getting ready for Homecoming which was only five weeks away. The Homecoming parade, half-time ceremonies, and the dance all were very successful. When Halloween rolled around the Council sold Spook Insurance to those people who thought they would need it to raise money. Other money-raising projects included having a McDonald's hamburger eating contest, which the Junior's won, and also showed the movie "Red Sky at Morning" the day before Christmas break.

When winter approached, the Student Council also sponsored the revival of the ski club. When basketball season began, the concession stand was given back to the Student Council and they also added an Old Fashion Stick Candy concession which was a good money-maker.

The Student Council members once again participated in Big Thumb Student Exchange days and also conducted Open Houses for the public at the new high school facilities. Our members were also invited to an Astronaut Assembly at Caro High School.

. . . WITH F.F.A.

The Future Farmers of America were very active this year. In addition to their annual fruit sales, they held a tree sale. They played a basketball game against Mayville during the winter. All during the year, the FFA went on many field trips.

Two members of the FFA were awarded State Farmers Degrees, bringing the total number receiving this degree to ten. Mr. French was awarded a plaque for having the most members in one chapter awarded this degree. The FFA grew many acres of corn this year. In the spring, they held an animal farm with animals such as ducks, goats, and pigs donated by the members. Many elementary students came to see the farm and they thoroughly enjoyed it.

All in all, the FFA had a very good year and are looking forward to an even better one next year.

What's so interesting over there?

Home Ec Classes, Club Teach Domestic Skills

This year's Home Ec Club got off to a slow start. Although they had many ambitious plans, they were cancelled for various reasons. The Club's main project was a quilt. This handstiched quilt took the girls approximately seven months to finish. The quilt will be sold and the proceeds will go to the Home Ec Club. The Home Ec Club also attended the FFA picnic.

Left: Boy, Home Ec. is really fun! Above: Home Ec. students enjoy preparing meals.

Work, Determination Result in Successful Season

This year the band had many new changes. Mr. Zirk was the new director with many new ideas. The marching band started their practicing and hard work early this year. They worked out new marching routines and played new music several weeks before school started.

The band marched in all the home football games and even took a pep band to several away games. In the last home game, the seniors were recognized. They played several tunes and added a few words for this was their last marching season.

"Earthquake" and "George M. Cohan" were a couple of titles of the show they performed. The band attended Band Day at MSU along with many other bands in the state. They also attended the "Parade of Bands" at Caro High School.

The flag carriers were a new addition to the band this year. They worked up routines and improved the appearance of our band. Paul Strasz was the new drum major leading the marching band. To assist him were the majorettes. The majorettes did new, exciting routines. One of the most outstanding was the twirling of fire.

The band had worked hard and it was obvious. They were a crowd pleaser and crowd attracter. Good Season Band!

Mr. Zirk tells the band what to do.

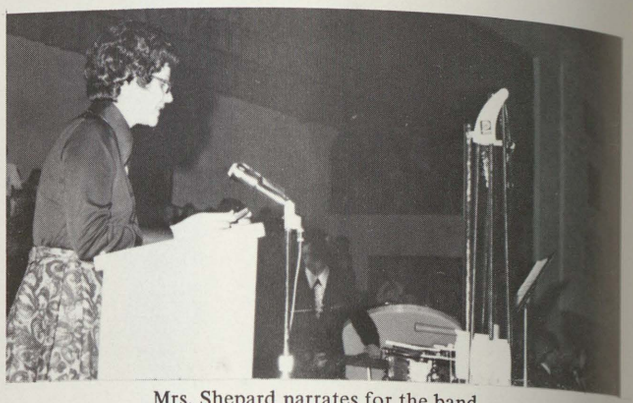
And the Beat Goes on . . .

The concert season began as the band prepared for the District Band Festival. While the band practiced for this, several of the musicians attended District Solo and Ensemble. The band received a very high II rating at the District Festival. This ended the band's competition for the year.

The annual Christmas concert was a success. Mr. MacKenzie dressed up as Santa Claus and captured the audience with fascination.

At the Spring concert, the bands performed many outstanding pieces. The seniors were awarded the Senior Trophies. Jim Dohrmann received the John Phillip Sousa Award for his outstanding service and participation to the band during his years of high school.

The band season was complete. The hard work, frustration, and early practices had paid off. The band had another fantastic season.



Mrs. Shepard narrates for the band.

Co-op, Shared Time Offer Experience

The Co-op Program at RHS recognizes the value of supervised work experience supplemented by a related instruction class as a very important learning experience. It is designed for seniors and offers on-the-job r training designed to prepare a student for entry level job skills in any of the following areas: distribution, office work, technical employment, trade and industrial operations.

The 1975-76 program included a Co-op Club for the first time. The major purpose of the club this past year was to organize an Employer Appreciation Banquet as a way of saying "Thanks" to their employers for the job positions provided. This is another step forward in the process of developing a stron Co-op Program at RHS so that area employers will desire a Reese Co-op student.

Students at Reese were also able to participate in the following approved Shared-Time Vocational Programs: Health Occupations, Cosmetology, Child Care and Construction Trades.

These students spent between 2½ and 4 hours each day learning a variety of occupations. Your future nurse, hair dresser, or house contractor, may have had his or her start in a program such as this one.

First row: N. Krieger, R. Sage, R. Bolzman, M. Fielbrandt, M. Bauer. Second row: S. Reinbold, W. Redwanz, S. Ross, T. Morgan, M. Trombley. Third row: Mrs. Weier, M. Greenia, T. Windy, J. Schrader, T. Teacher's Aides Work Hard to Lighten Load

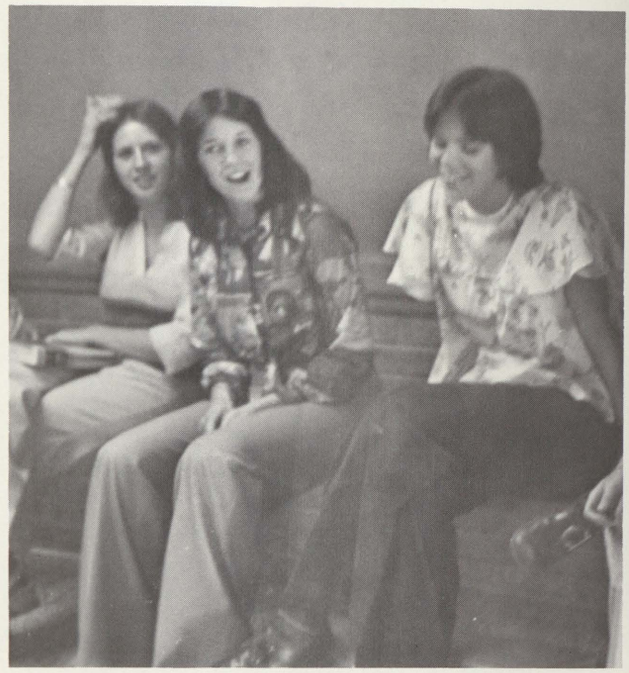
Very often during the day, one can see students typing, correcting papers, running off dittos, and doing innumerable tasks. The students are teacher's aides. They receive no credit for their hard work, but the teacher's appreciation.

These students devote one hour each day to help out a teacher. They make the teacher's lives easier by doing innumerable taskes such as taking attendance, entering grades in grade books, and running errands. In other words, they are the teacher's right-hand man!



First row: L. Damm, A. Bierlein, D. Jacobs, G. Sommerfield, J. Knack, P. Brechtelsbauer, C. Findlay, D. Keyes, A. Spiekerman. Second row: T. Buchinger, M. Kelley, N. Krieger, J. Gray, K. Mossner, J. Elementary and Counselor Aides Contribute Much

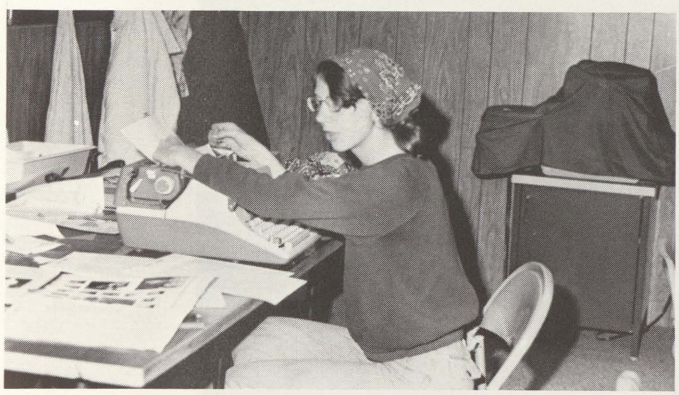
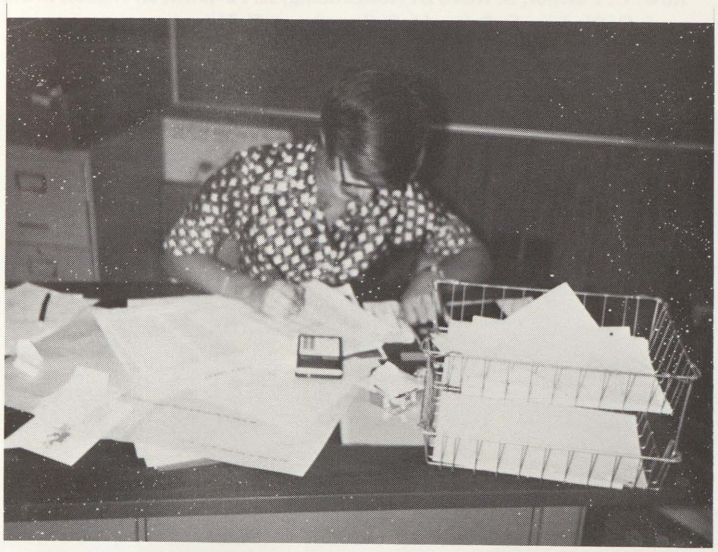
Counselor's aides are those people no one really notices, but are indispensable. They help the counselors' schedules to run smoothly by doing tasks such as typing and finding the students the counselor wants to see. Like all other aides, they receive no credit but work hard and earn the counselor's gratitude. Let's give them the recognition they deserve!



Some aides work under all conditions.

S. Schluckbier, M. Shar, are counsler aids.



Above: Marie Weiss, a dedicated student, works diligently. Right: Mari Sahr checks a stencil.

Elementary Aides Gain Job Experience

Many of the high school students spend one hour each day at the elementary school. Some of these students are planning on a career dealing with children and are gaining valuable experience. Others, who are planning on a business career, gain experience by working in the elementary school office.

Although they receive no credit for their work, these students greatly assist the elementary school staff. Students who work in the office help with the typing, answer the telephone, and run all sorts of errands. Those students who are teacher's aides grade papers, provide individualized attention to the elementary students, and perform many valuable services.

Above: L. Damm, C. Bringold, K. Mossner, M. Bow, L. Squanda, N. Krieger. Below: Front Row: K. Gilbert, P. Gleason, S. Greenia, D. Morris, L. Semkew, D. Jacobs, K. Breck, D. DuRussel, L. Deisig, D. Library, Office Aides Provide Service

Some high school students devote one hour each day to work in the office or the library. These students receive no credits for their work but gain experience in office or library procedures.

The library aides check magazines and books out, replace returned books on the shelves, and generally make themselves useful. Office aides do typing, answer the telephones, deliver notes, and perform many other helpful services.

German Club Members Have Social Year

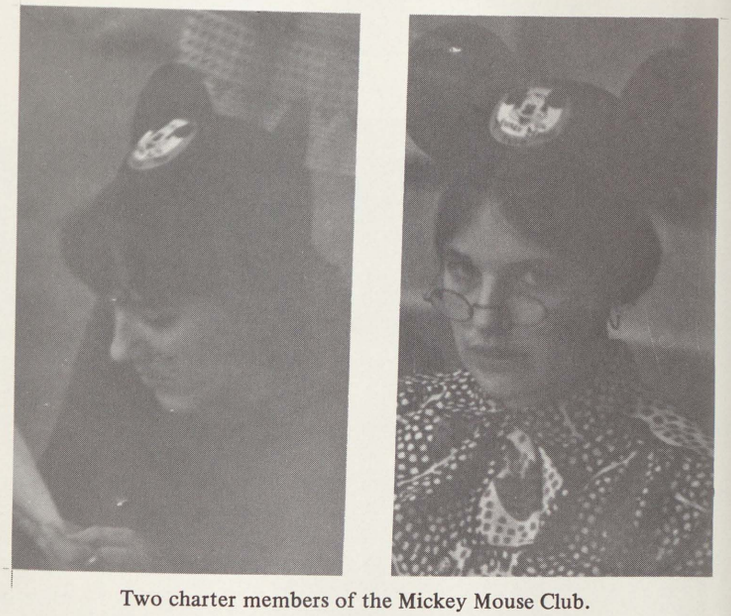
The German Club had an interesting and productive year. At Christmas they went to the Bavarian Inn for a chicken dinner. They sold candy imported from Germany in January and raised a large amount of money.

In April the club performed a German skit at Central Michigan University and received a well earned honorable mention.

During the year they also sold homemade pretzels and had a bake sale.

The highlight of the year was a trip to Cedar Point which was enjoyed by all.

The new German teacher and club advisor, Miss Fletemeier, was very helpful to all, as she herself has been to Germany.



Two charter members of the Mickey Mouse Club.

"Our Favorite Songs . . . . ."

I bet you never saw sailors like this in the navy.

This was the theme for the 1975-76 Modern Dance concert which was a great success due to the hard work of 28 dancers. Even though the concert was the well known event, another highlight for the dance class was the taping of "Music in Motion", a 30 minute program intended for broadcast on Channel 19 made possible by Ron DeKett.

Special thanks for all the hours of practice and your devotion to make the dance class so great.

Sue Wagner

Ski Club Returns

This year saw the return of a ski club to Reese High. A membership drive kicked off the season's activity calendar. Several large and small group outings took place with Alpine Valley and Caberfae the favorite resorts this season.

Many of our more daring ski buffs got into unintentional stunt skiings, entertaining many spectators. In case you missed the fun, the movies shown at lunchtime should have given an indication of the beauty and exhilaration of the sport.

Fond memories of the 1975-76 season will be recalled in reading the following story of the outing on January 22, 1976 to Alpine Valley.

Skiing: From the Beginning

There are three levels of skiing perfection: Expert, Intermediate, and Beginner. One word describes this year's club: BEGINNER. Even our "experts" and "intermediates" will appreciate the following: ALL PURPOSE GUIDE AND DICTIONARY TO THE REESE HIGH SCHOOL SKI CLUB.

'Rocket Review' Staff Keeps Us Informed

This year's ROCKET REVIEW staff was one of the busiest groups in school. Putting out an average paper of eighteen pages each Friday is quite a job!

The class is held sixth hour each day. Daily assignments and activities give the class a very "chaotic" atmosphere. Students can be seen writing, typing, editing, interviewing, mimeographing, collating, and stapling the pages of the paper.

Second-year students act in editorial positions. Kathy Mossner served as editor-in-chief. She was assisted by Kim Bernthal, Brenda Smith, Pam Sommer, and Ann Spiekerman.

All in all, it takes a real combined effort to get a paper to the student body each week.

This year's editorial staff included Brenda Smith, Kathy Mossner, editor-in-chief; Kim Bernthal, and Pam Sommer.

Front row: D. Hecht, D. Keyes, R. Bolzman, A. Bierlein, K. Withers, G. Wascher, D. Weber, J. Krukowski, D. Morris, S. Chapman, R. Kelly, D. Jacobs. Second row: Mr. Matuzak, C. Bringold, K. Sahr, M. Avery, S. Swarthout, M. Bow, B. Lindow, D. Zimmer, G. Sommerfield, L. Redwanz, D. Korf, S. Keinath.

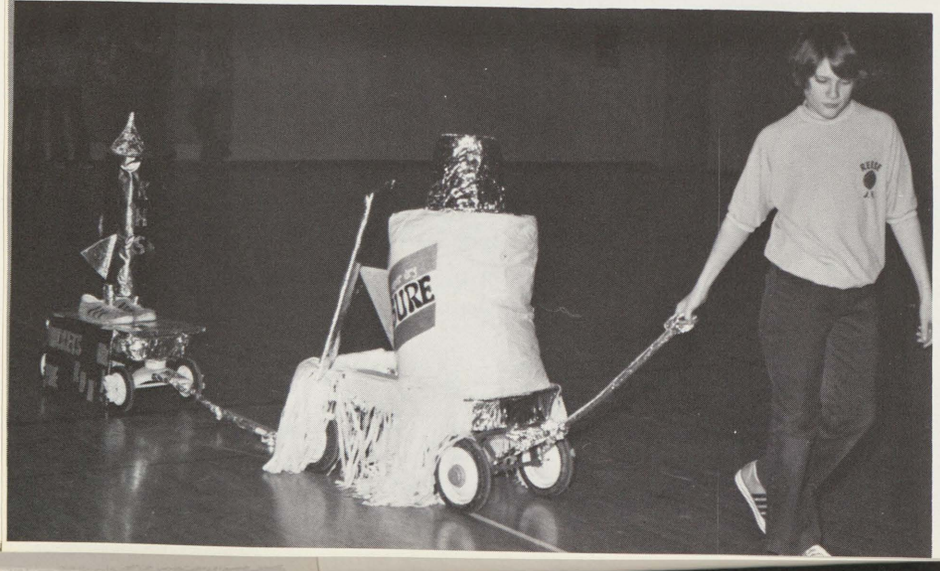
Comehoming '76— Mini-Floats Rule

The 1976 Comehoming was an exciting event. Each participant was busy preparing a wagon for Friday evening. There was eager anticipation as to whom would be king. The winner was announced as Harold Zells.

Three floats participated in this year's Comehoming. The sophomore class won the best float with a theme of "Rockets '78 Express."

Comehoming is always hard because it takes much preparation. However, it is enjoyed by all.

Don Kuck shoots during Comehoming game.



Above left: Janet Taylor pulls the winning sophomore float. Left: Jon DuRussel pulls the freshman float. Above: Terri Buchinger leads the junior Comehoming float.

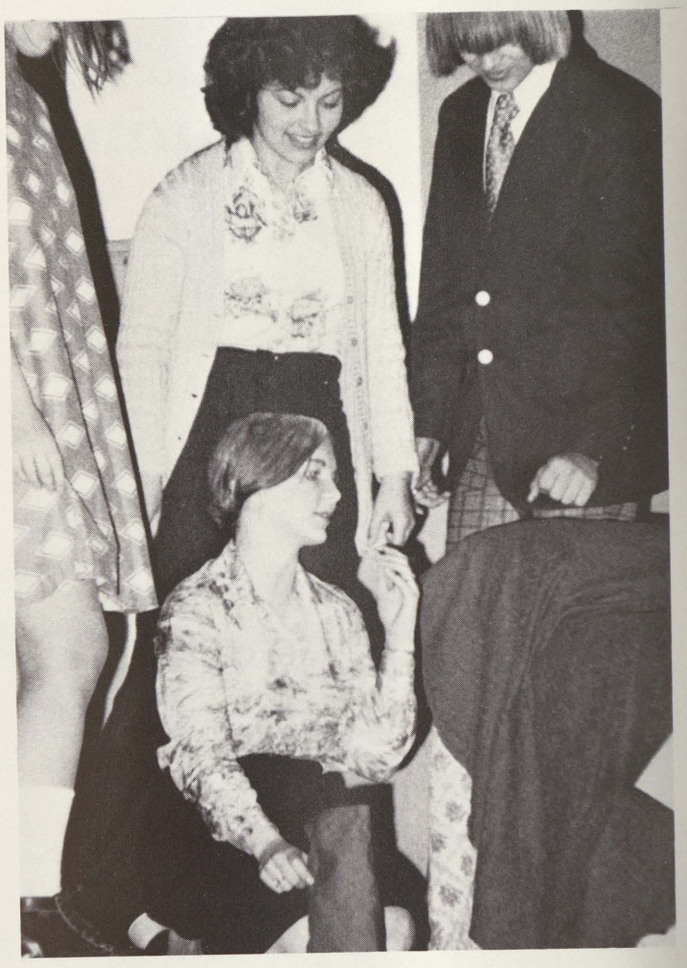
Drama Club, Class Combine Efforts

Drama Club wasn't really very active this year. For the third year in a row the club has had a new advisor. This year's advisor is Mrs. Smith, and hopefully, she will be here again next year.

We hope to see things happening in the future with the club. Maybe if more students, guys and girls, will get involved, Drama Club can really "break a leg" and get going the way it used to.



K. Bremer, D. Draher, D. Hausenleider, S. Hinz, C. Bringold, M. Bow, K. Stone, R. Heins, M. Mauntler.

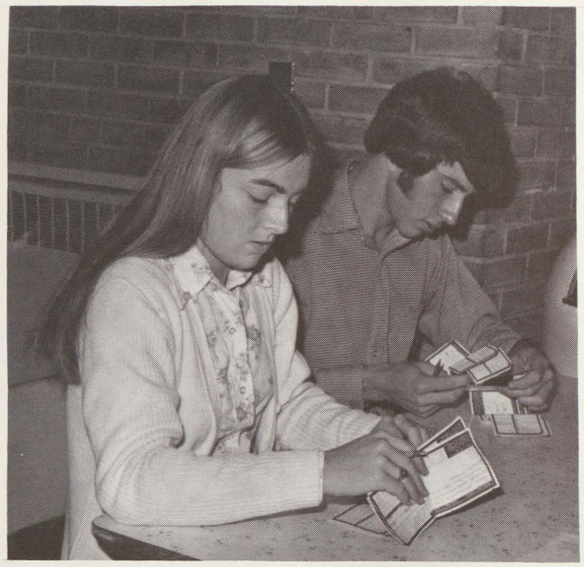
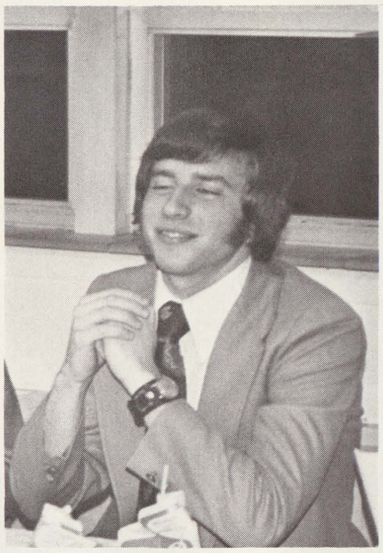
DuRussel, M. Squanda. Third Row: S. Gruber, G. Dauer, K. Schian, K. Billmeier, C. Bucholz, R. Doud, C. Fulcher, H. Buetow, Advisor: Mrs. Smith.

National Honor Society Inducts 22 Members

This year's National Honor Society had a very active schedule. The year started off with the initiation of the new members. After that, M & M's were sold which were prosperous enough to pay for the majority of their canoe trip in the spring. The members evaluated report cards every marking period. The canoe trip down the Rifle River was an event that was enjoyed by all. When the time for the seniors to graduate came, the NHS junior members ushered and helped with the ceremonies.



One responsibility of N.H.S. members is to evaluate report cards. Karen Nickel and Don Kuck evaluate cards during the lunch hour.



"El Presidente"

J. Trombley, C. Findley, K. Nickel, M. Sahr, D. Kuck, J. Dohrmann, G. Roth, J. Weber, M. Bow, L. Squanda, L. Semkew, Advisor: Mr. Jordon.

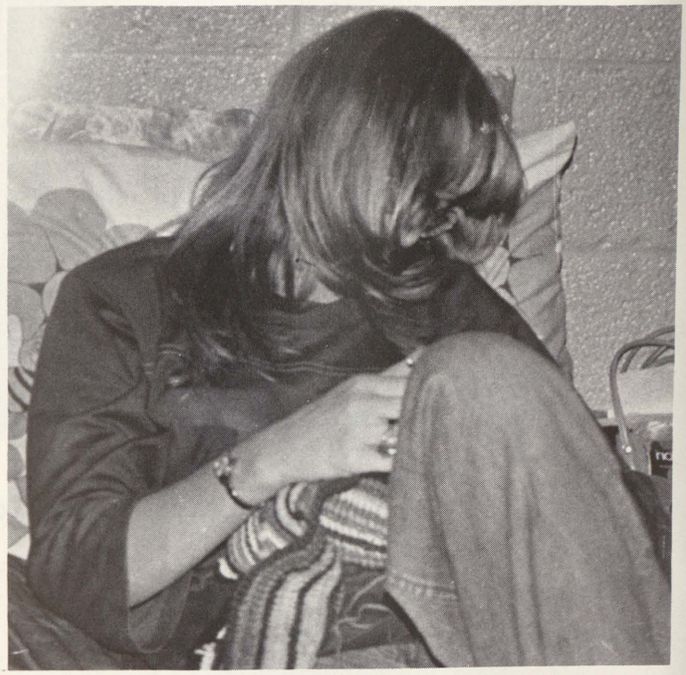
Model U.N. Club Continues to Grow

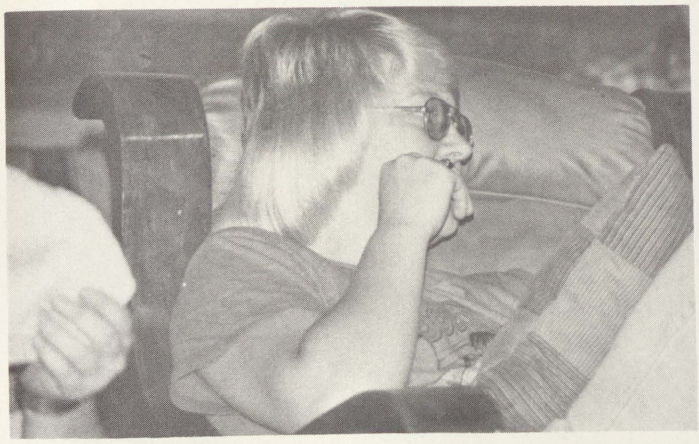
The Model United Nations Club is involved in learning the policies of other countries and employing this knowledge at mock United Nations sessions. This year's Model U.N. Club attended three such sessions. The first was the Thumb Area Model United Nations held in Flint in November. The second was the Great Lakes Invitational Model United Nations held in Ann Arbor in March. The last session attended was held at Grand Valley State College in April.

The Model U.N. Club held a twenty-four hour Rock-a-thon and sold candy to raise the funds needed to attend the mock United Nations sessions. The club also staged two mock debates, one in October and one in May, for the American Legion.



Carole Bringold tries to catch a few z's during the U.N. Rock-a-thon.

Glimun Staff: B. Smith, C. Bringold, D. Bolzman, C. Bringold, L. Damm, S. Chapman, B. Bauman.



Sucking your thumb again Brenda Smith?

The participants in the Rock-a-thon were very dedicated.

Forensics Team Expands Activities

The Forensics team grew this year to thirteen members. The team observed at Essexville-Garber too learn as much about their event as possible. Mrs. Shepard, the new coach, also had very much to learn. The next event was the Eisenhower Invitational which they could not attend as a result of the big ice storm. About half the team attended the Holly Invitational and then finished off with the Frankenmuth Invitational. Districts were held in Frankenmuth with a very good performance by the entire team. They are all looking forward to a really smashing year in 1976-77.

Above right: Mary Mauntler is caught unaware by the photographer, as she prepares her homorous reading. Right: David Bolzman, Junie Roth, and Jean Spiekerman listen closely as Coach Mrs. Shepard gives instructions.

Girls', Boys' State, Exchange Student

Boys' State: Steve Rummel, Bob French.

Girls' State: Sue Gruber, Laurie Wirth, Shari Hinz, Jean Spiekerman.

The purpose of Boys' and Girls' State is to allow boys and girls from Michigan to gain knowledge of how the government works through actual participation. Boys' and Girls' State are sponsored by the American Legion and the American Legion Auxilialy respectively. The Girls' State representatives attended a convention at Olivet during the summer between their junior and senior years. The Boys' State representatives attended a convention at MSU during the summer between their junior and senior years.

Sels D'Alkmin was the foreign exchange student this year. Sels was from Brazil. Although he wasn't here very long, he learned much about American customs.

Sel D'Alkmin–This year's foreign exchange student.

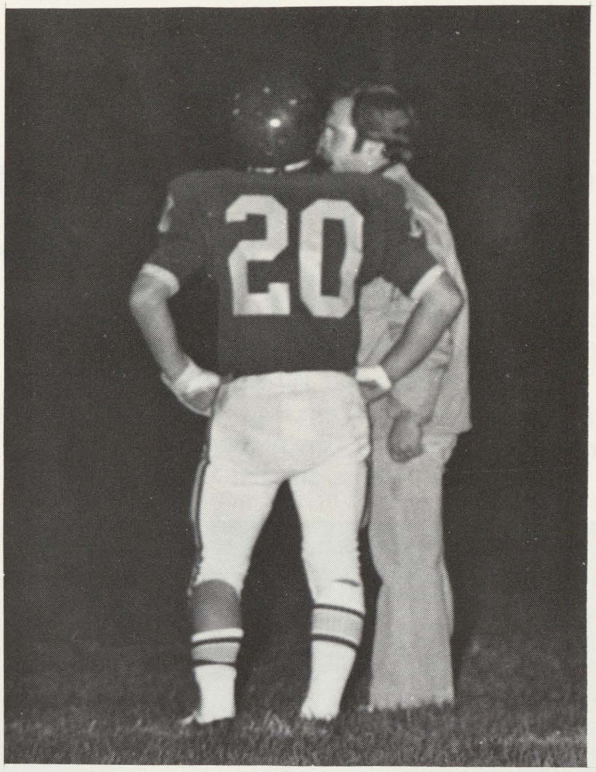
Mighty Rockets Win It All!

The Rockets, after losing their first two games, came on to win seven straight, including the highly defensive Superbowl game against the East Division Champs, North Branch.

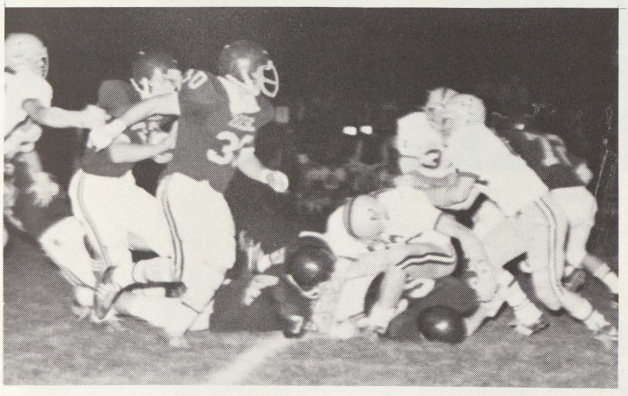
Our team was the first in the Big Thumb West and also champs over both the East and West by winning the Superbowl.

As the year progressed, our team got better. For instance, the defense became number one in the Big Thumb League.

Brad Elbers and George Szekely were chosen for the first team ALL-CONFERENCE and Doug Elbers was chosen for an ALL-AREA honorable mention.



Coach MacKenzie sends in a play.



Doug Elbers struggles to stay on his feet.

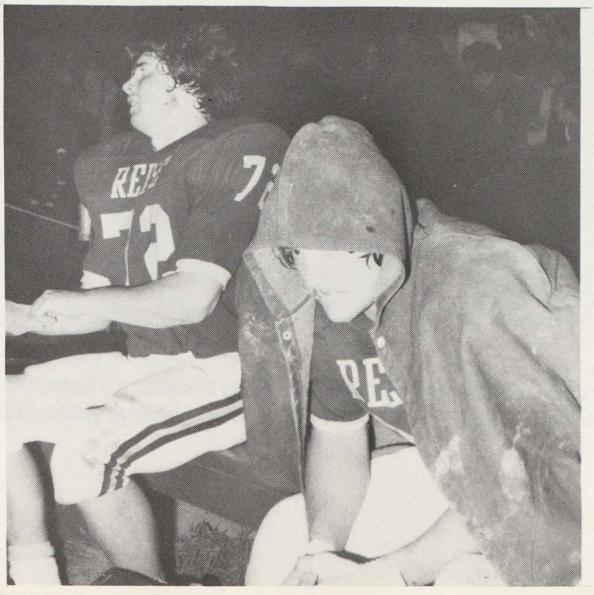
Rockets have a balanced attack.



J.V. Gridders Second In League

This year's J.V. football team lost their first two games and then came back to win the next four games. They ended the season with a five win, two loss league record and a five win, three loss overall record.

The leading scorers were Pat Mousseau, Ron Ross, and Matt Bierlein. Pat Mousseau was the leading rusher with over 450 yards. The leading defensive players were Ron Spiekerman, Tim Purman, Ron Ross, and Jim Trea.

Paul Drake's Achievements
Second year cross country allstater.
1st in League Championship (2nd time)
1st in Regional Championship (2nd time)
1st in Vassar Invitational (2nd time)
1st in Fennville Invitational
1st in Super Saturday Run (2nd time)
4th in State Championship

Reese keeps up with the pack!

Reese Harriers Take Honors

This year's cross country team had a fine season, placing high in many dual meets and collecting numorus trophys.

In dual meets they had a 7-2 record. Trophys of 2nd place in Marlette's Super Saturday Run and 3rd place in the Vassar Invitational were awarded to them.

This year's team placed 19th in the State Championship.

Another Reese runner aproaches the finish.

Paul Drake wins again!

Jayne Weber takes a bow.

UP for the jumpshot!

A Dream Come True

This year the girls did it! Accomplished something they only dreamed about till now . . . . because, at last; they are League and District Champions!

After four years of hard work and determination, the girls have finally won the District Championship and gone on to the Regionals–a dream come true! They have come one step closer to their ultimate goal–the State Championship!

The girls really worked hard in order to make this year their best one ever. There was never a dull moment with injuries, overtimes, and after the games, some good-natured clowning around.

This year will long be remembered by Reese High, and hopefully, the girls will keep on winning, and once again–make a dream come true.

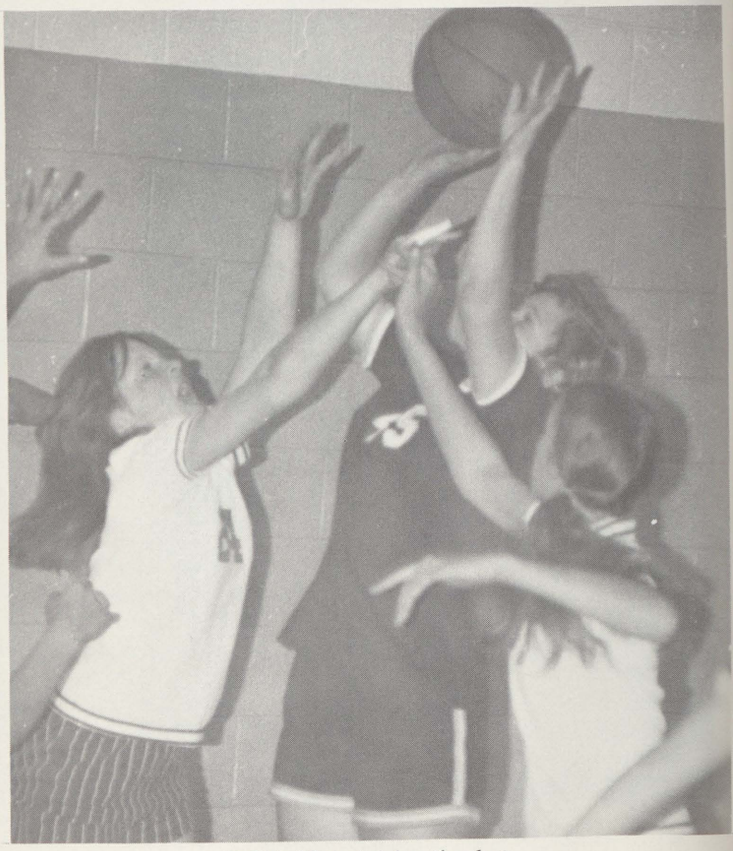
Rough, Tough, Team

This year the JV girls had a rough season. Try as they might, they just couldn't seem to get ahead to make it a winning season.

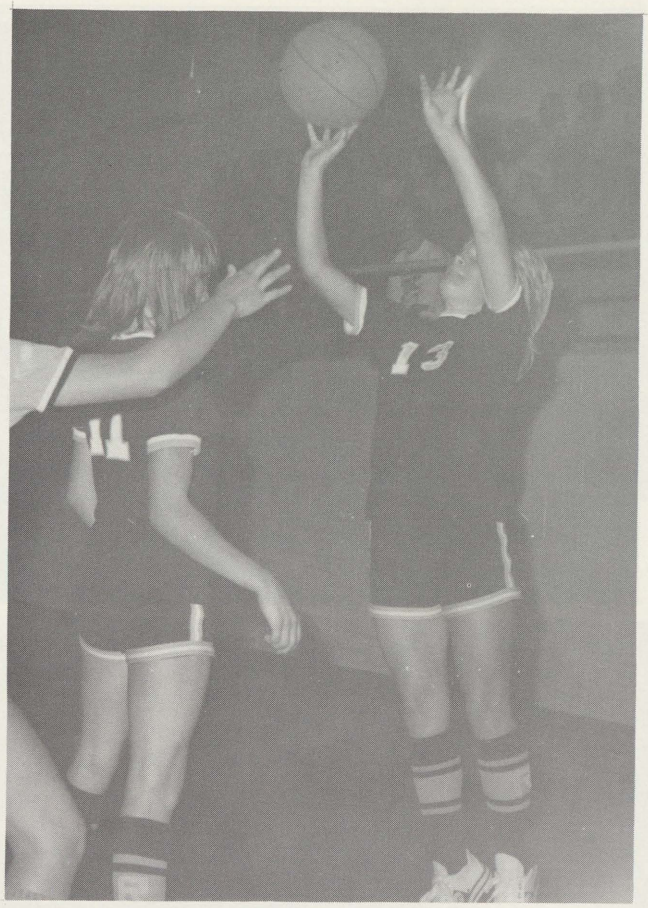
Lots of potential was shown this year. There were many new and inexperienced members in the team this year, but hard working.

The JV girls have what it takes to carry on the winning tradition of the Reese High Girls Basketball Team. With more experience, and lots of hard work; hopefully, they will.



Debbie Nichols takes the shot.

You want us to do WHAT?



Teamwork—the name of the game.

Hey, wait a minute!

Volleyball Squads Have Good Seasons

The 1975-76 J. V. Volleyball squad ended their season with a 7-1 record. The teams over-all high scorer was Laura Bierlein while other contributers were Cindy Holzhei, Julie Weber, and Deanna Draher.

The Varsity had a bit tougher season with a 5-4 record. They participated in the tournament but lost to Cass City. Then because of weather factors, they forfeited to St. John's and finally lost again to the Mayville Wildcats. Lori Weber, the team captain was named most valuable player while Kathy Mossner was selected as the most improved player.

Golf Team Suffers Very Rough Season

This year's golf team had a dissappointing season. Although they only had six people on a team they played a full schedule against ten other teams. After they were defeated their first few meets, their spirits never died. Their final record was one win and nine losses.

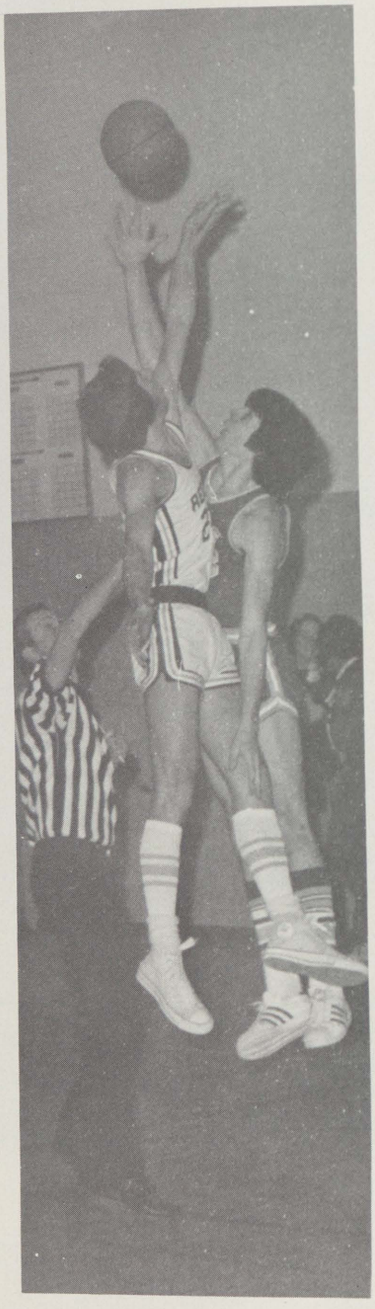
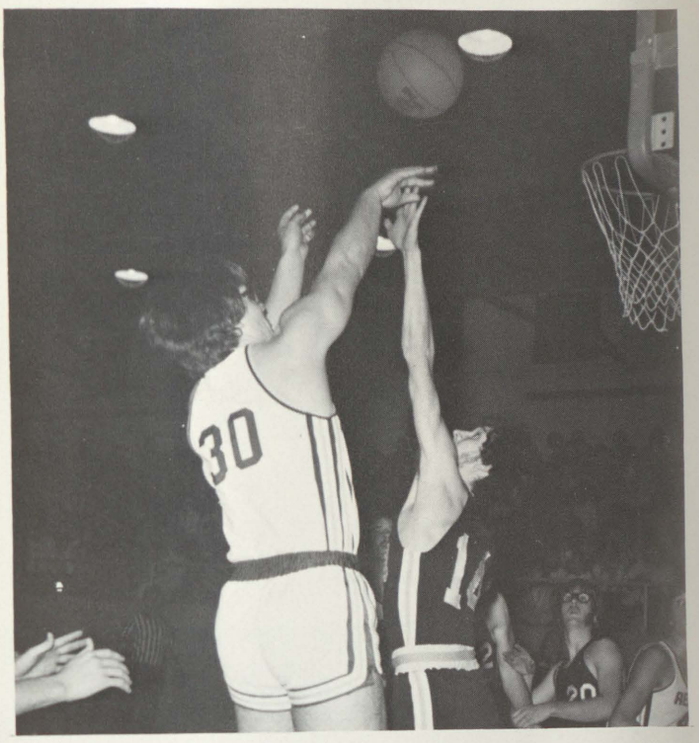
Varsity Cagers Have Tough Season

Under the direction of Coach Doug Bird, the 1975-76 Varsity Basketball team came up on the short end of an almost even record of 10 wins and 11 losses. Leading the team this season were Darrel Hecht at a guard position, Don Kuck as a forward, and Joel Kamm at center.

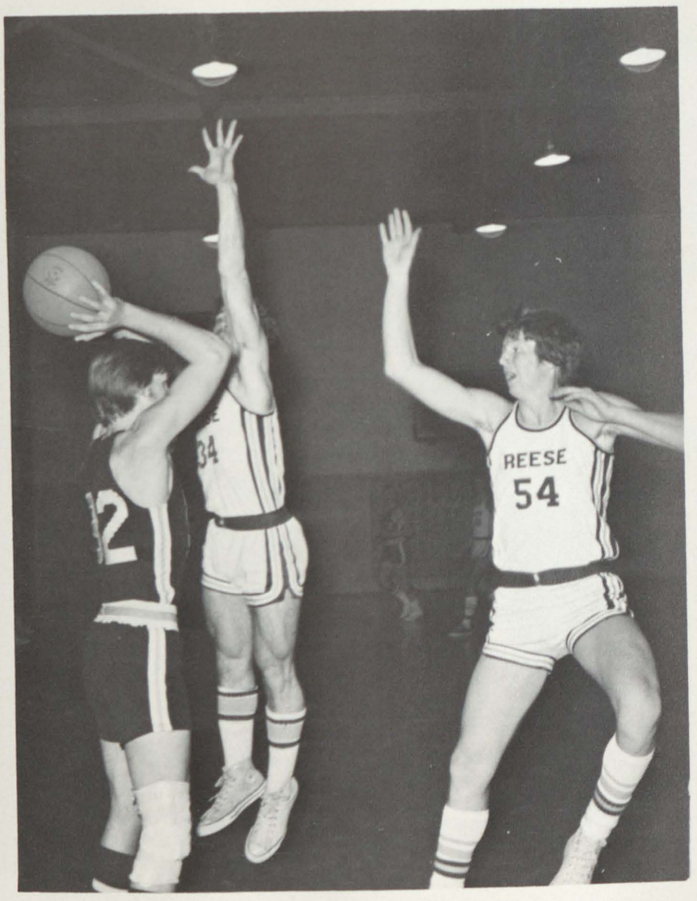
The team co-captains were Don Kuck, Mike LeRoux and Joel Kamm. The team will be losing the co-captains along with Brad Elbers, Jim Dohrmann, and Harold Zells as they are graduating.



Left: Don Kuck goes for the tip.

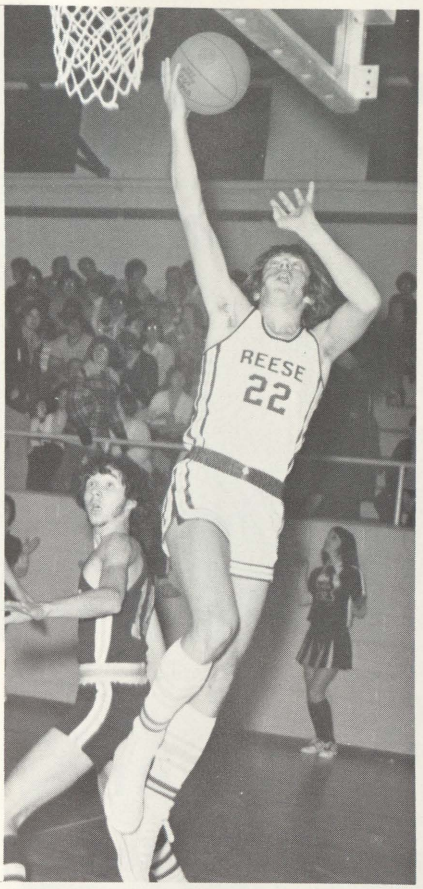


Brad Elbers tries for two.



Harry Zells and Mike LeRoux on defense.

That's Teamwork!



Another two points!

Bright Future Seen for JV Players

The JV Squad had high hopes, but unfortunately ended the season with an 8-11 overall record. Most of the games were close, although Reese seemed to be on the wrong end of the score.

Near the close of the season Ken Billmeier, Paul Buetow, and Dean Elbers were transferred to the Varsity team. Despite controversial records, next year's Varsity team looks very promising.

Freshmen Have Challenging Seasons

The interest in basketball among freshmen was so intense that again this year two teams were formed. Both teams had very challenging seasons, the "A" team ending with a 3-12 record and the "B" team ending with a 1-9 record.

The "A" team's season was highlighted by a stunning upset over USA. The "B" team ended their season with a fine victory over Vassar. The records don't show the effort and enthusiasm exerted by our freshman teams.

Intramural Basketball Begins School Day

Intramural activities are done between members of the same school, who were unable to be on the interscholastic teams. Also it gives students a chance to be in competative sports without all the pressures of a large audience.

Each team played ten games with the winning team of Tim Spiekerman having a 7 win and 3 loss record.

Girls' Track Team Young but Spirited

This years' Girls' Track team started out a tough season against U.S.A. Many of the girls placed but not enough points were gained for a victory.

As the season progressed our Rockettes got better and better, but, unfortunately, so did the other teams.

Out of the darkness of defeat two girls strove to break the school records: Teri Dunn in the high jump with 4' 8" and Sue Wojt in the two mile run with 15:20.

The girls possessed lots of spirit and are looking forward to a better year next year.

Team Efforts Shatter Records

This year ten school records were broken and some were broken twice. Paul Drake broke his own 2 mile run record at the state meet which gained, for him, the State Champion Award.

Reese has their own invitational and placed runner-up, attended the Akron Fairgrove and placed third, placed fifth in the Regional Track Meet, and was runner-up in the Conference Track Meet.

Steve Jacobs leads the pack.

Drake wins again.

Mike Mueller uses every bit of energy.

He runs! He jumps! He's up! He's over!

A fine heave by Ken Billmeier.

Young Team Gains Valuable Experience

Being only a 2nd year team, the 1975-76 tennis team ended the season better than last year with a 1 win–11 loss record.

In each match, there are 7 events and a team must win a majority of 4 or more to win the match. Many of the matches were close being 3-4 but unfortunately, Reese was on the wrong side.

Coach Weier said that he was very proud of his team because many coaches said that Reese was one of the most honest teams, as there are no line judges.

New Uniforms Aid Mediocre Season

This year the Girl's Softball team received new uniforms. The uniforms inspired the girls but the win/loss record didn't seem to show it. They ended the season overall with a 6-5 record.

In the tournament against Vassar they lost 13 to 6. If they would have won they could have gone on to play against other schools for a try at the State Champion Award.

Managers–M. Schrader, M. DeKett. D. Elbers, H. Zells, S. Watkins, R. Wagner, G. Szekely, S. Rummel, M. LeRoux, D. Elbers, P. Mousseau, M. Bierlein, D. Kern, T. Hecht, T. DuRussell. Coach–VanParis.

Varsity Retains Strength for Next Season

With three returning lettermen, Mike LeRoux, Harry Zells, and Doug Elbers, who was the leading hitter last year, the team looked pretty promising.

In the Millingtown Tournament Reese took second by defeating Mayville. The game was played without any seniors and was over all the county.

Reese had four people on the Baseball All-Conference Team, Doug Elbers for infield, Steve Rummel for outfield, and George Szekely and Dean Elbers received Honorable Mention. All were on the first team.

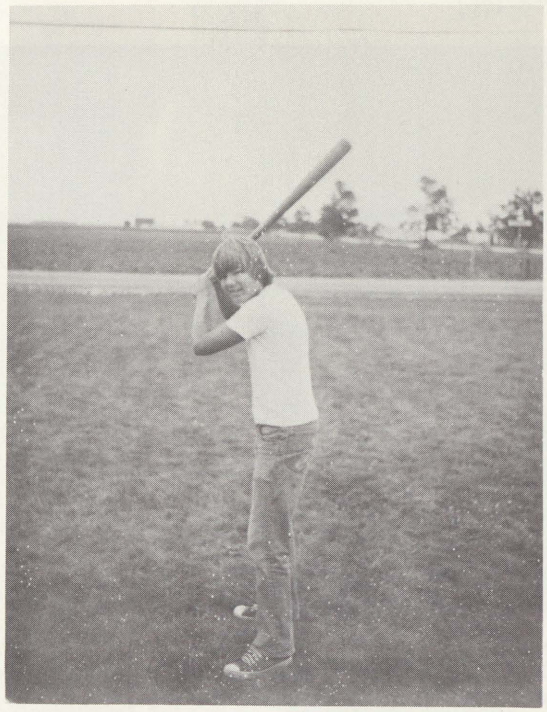
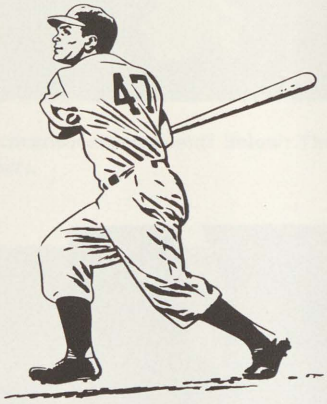
J.V. Baseball Team Gets Off to Slow Start

The J.V. baseball team had a slow start this year. In spite of their mediocre record, the team showed lots of enthusiasm. The boys showed lots of hustle and should help next year's varsity team to a winning season. Coach Hall will be counting on his returning freshman for an outstanding season next year.



Mark Simerson practises his batting often as his record shows.



Front row: S. Shinaver, R. Elbers, G. Squanda, J. Rohloff, S. Bennett, D. Wolverton, M. Simerson, T. Prueter, J. Hecht. Back row: K. Ackerman, C. Howell, G. Sahr, M. Bliss, C. Bucholz, G. Bender, E. Elbers, M. Zimmerman, Coach Hall.

R.H.S.

Rah-Rah! **Varsity Cheerleaders** Go Team!

Go Rockets!

The Varsity Cheerleaders of 1975-76 had a very rewarding year. They attended camp in August and came home with 7 ribbons, a 4th place trophy and an award for outstanding pom pom routine. The girls over the months received a 1st place trophy for district competition. Besides competition they conducted pep assemblies, skits, badges for the players and a pom pom routine to the "Theme From S.W.A.T." These girls deserve recognition for a job well done.

Above: Jan Trombley cheers the team on to a victory. Below, Front: K. Gruber, S. Schlukbier, C. Aven, D. DuRussel, D. Keyes. Top: J. Trombley, K. Bernthal, L. Deisig.

Fight for victory!

The varsity cheerleaders demonstrate a pyramid.

Above: Are the cheerleaders confused? Below: The cheerleaders rest between cheers.

Friends are forever.

J.V. Cheerleaders Add Much to Games

The 1975-76 J.V. cheerleaders were the bubbliest group of girls in Reese High. The girls had an exciting year and a whole lot of fun and experiences that will never be forgotten. Yet when it came to business, the girls loved putting spirit into their teams.

Over the year, the girls went to many clinics and performed an outstanding pom pon routine to "Who Loves You."

One projection for these girls will be back again next year with exceptionally alot of talent.

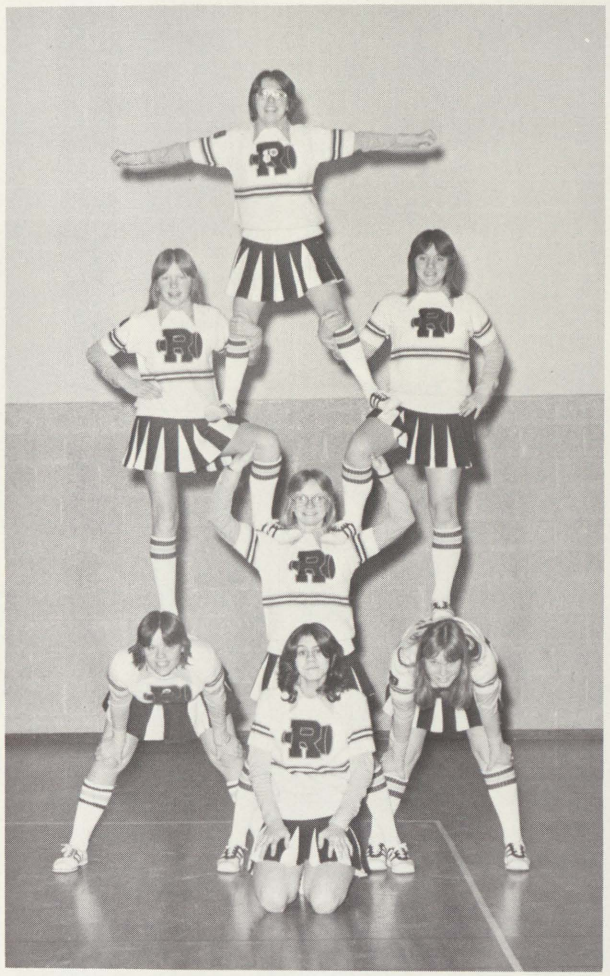
R. H. S.

What a cute smile!

P. Meyer, R. Kilbourn, A. Szekley, P. Bruneel, S. Bernthal, P. Westoby, L. Sahr.

Frosh Cheerleaders Show Enthusiasm

"Boogie up and boogie down" was the cheer heard from the roaring freshman cheerleaders for their team! These girls worked hard and had a number of good cheers which they performed well. The girls were young but they put their heart and soul into their team efforts. So what more can you ask from a squad?



L. Janson, K. Auernhamer, S. Wirth, T. Ackerman, K. Zimmer, N. VanParis, K. Burkowski.

Natalie VanParis cheers the team on.

The J. V. cheerleaders assist the freshman cheerleaders.

The freshman cheerleaders take a break.
